Doors

OPEN DOORS

Open doors let in the air;
The winds are sweet and the flowers are fair,
Joy is abroad in the world today;
Our open doors will bring it this way.

Open doors let in the sun;
He hath a smile for every one.
He hath made of the raindrops gold and gems;
He may change our tears to diadems.

Open doors of the soul, let in
Strong, pure thoughts that shall banish sin.
They will grow and bloom with grace divine,
And their fruit shall be sweeter than that of the vine.

Open doors of the heart, let in
Sympathy sweet for stranger and kin.
It will make the halls of the heart so fair
That angels may enter unaware.

Open doors of St. Mary School, let in
Long lines of loved children . . . a crown they would win.
Truth, goodness and beauty pervade their school life;
They leave well equipped to face the world's strife.

Open doors of St. Mary Church, let in
The fervent, the weak, and those laden with sin.
"Through Mary to Jesus" find peace for each soul,
Obtain knowledge and guidance for reaching life's goal.

Open doors of our heavenly home, let in
The clean of heart, the valiant who have conquered sin.
For these, the twelve gem-studded doors unfold,
Ecstatically the breath-taking Beatific Vision behold.

The Theme

THE CHURCH DOOR

We, the Class of 1940, have selected as the theme of our publication, the "Renard," the simple but unique feature "Doors." This choice was made because of the fact that new doors were built, thus improving the entrance of St. Mary Church in beauty and architecture.

Doors can be beautiful things . . . Architects have labored through the centuries with untiring skill in order to make doors beautiful. They have accentuated the charm of doors through the medium of carved wood and bronzed designs. The simplicity and grandeur of the new Church doors attract everyone. Through these doors the faithful enter to pay tribute to the King who dwells behind the small golden tabernacle doors.

Open doors are such eloquent things . . . They speak for themselves . . . They not only heartily welcome all but extend an invitation to enter. Open doors create a confidence that beyond them one will find happiness and good cheer.

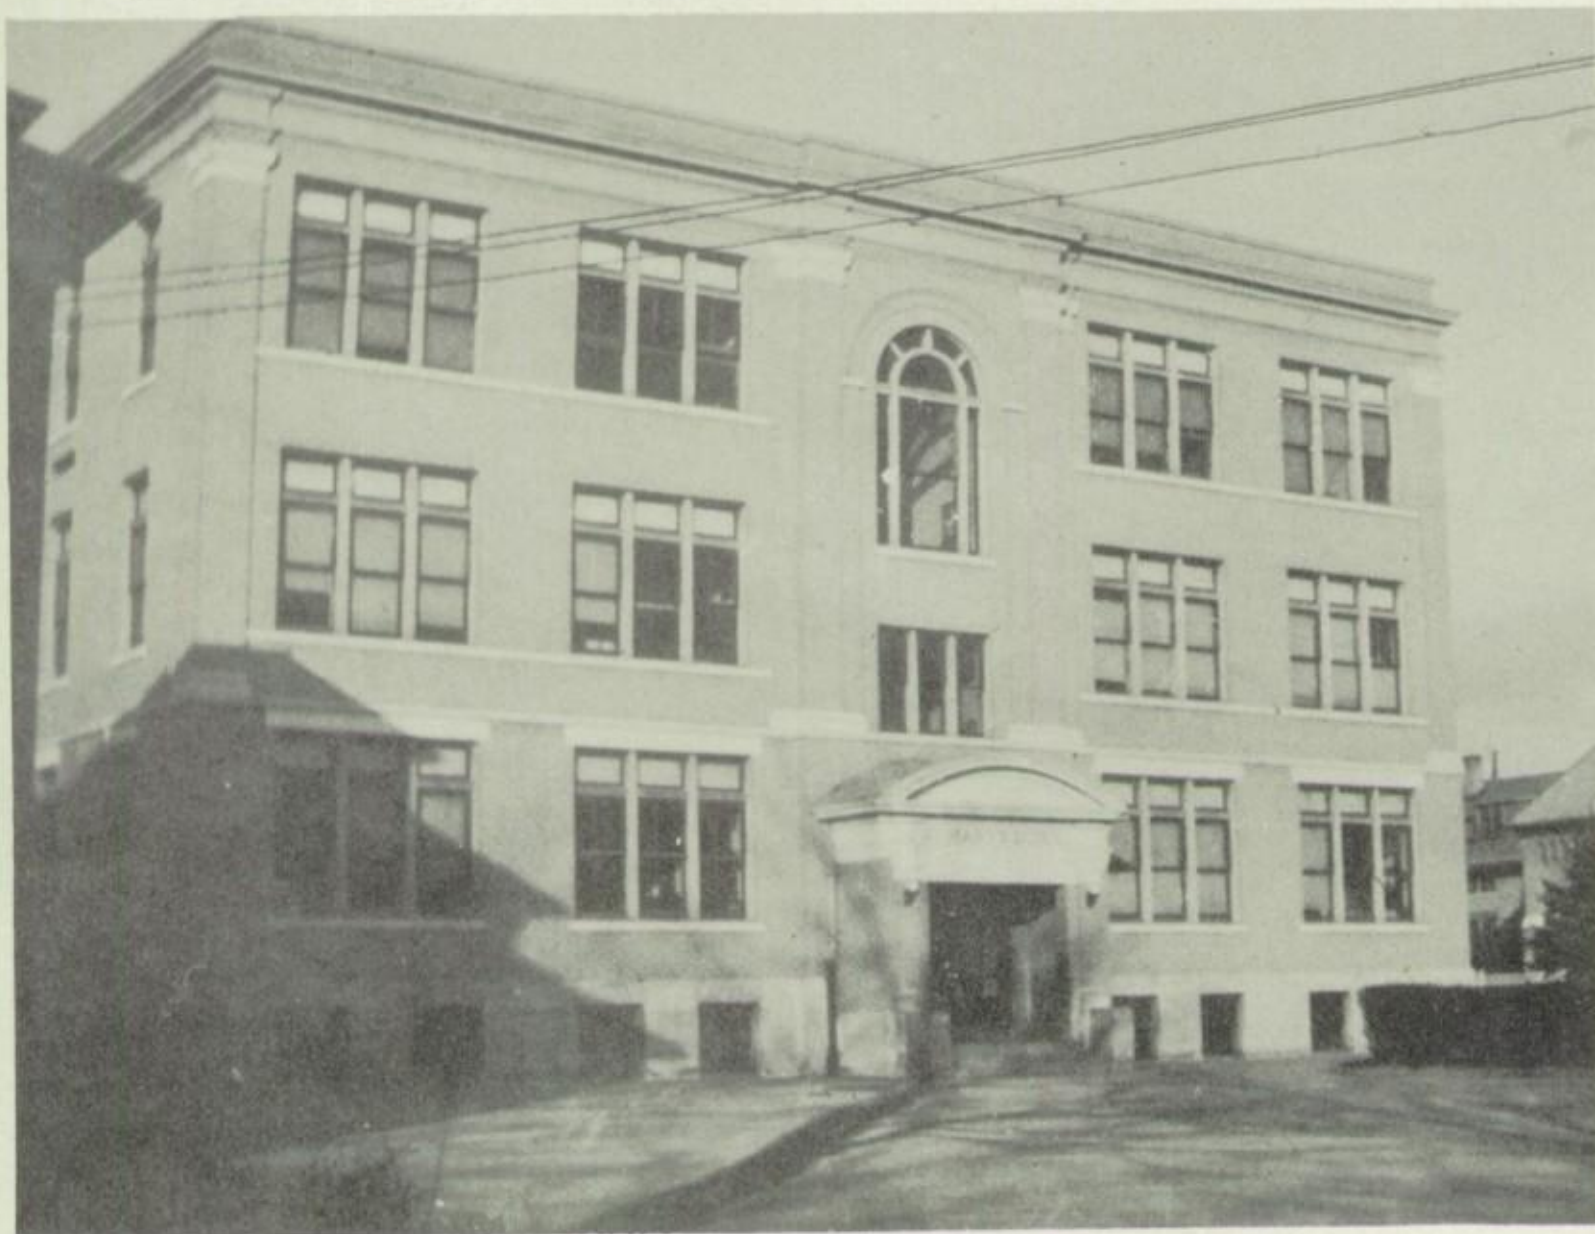

On the other hand, closed doors can be cruel things. We Seniors feel that the well-worn door of St. Mary is closing upon us and our years of study have gone by and before us we behold the monster doors swinging open to usher us into the world of plans and high endeavors.

No one likes the cruelty and finality of closed doors . . . So it is our wish to convey that all who seek learning in dear St. Mary's will find the doors flung open wide where they will receive a hearty welcome . . . a secure shelter in which to ennoble and embellish intellectual and spiritual gifts.

Equipped with a thorough religious training, we the Graduates of 1940 swing back these doors of dear St. Mary's and leave its hallowed precincts to live our life—a Catholic life.

Our School

ST. MARY SCHOOL

St. Mary School
We boast of thee!
Your bright halls,
And your corridors
Have brought us cheer;
The lessons learnt with eager care
Will always be
Sweet memories throughout the years.

Study Hall Stencil

A solemn atmosphere . . . broken by a smile, a giggle . . . studious heads bend low . . . lost in concentration . . . having converse with men of genius . . . winged inspiration hovers near . . . Oh, there she is . . . Ah, such eyes . . . Who? Me! . . . a detention ticket?

Foreword

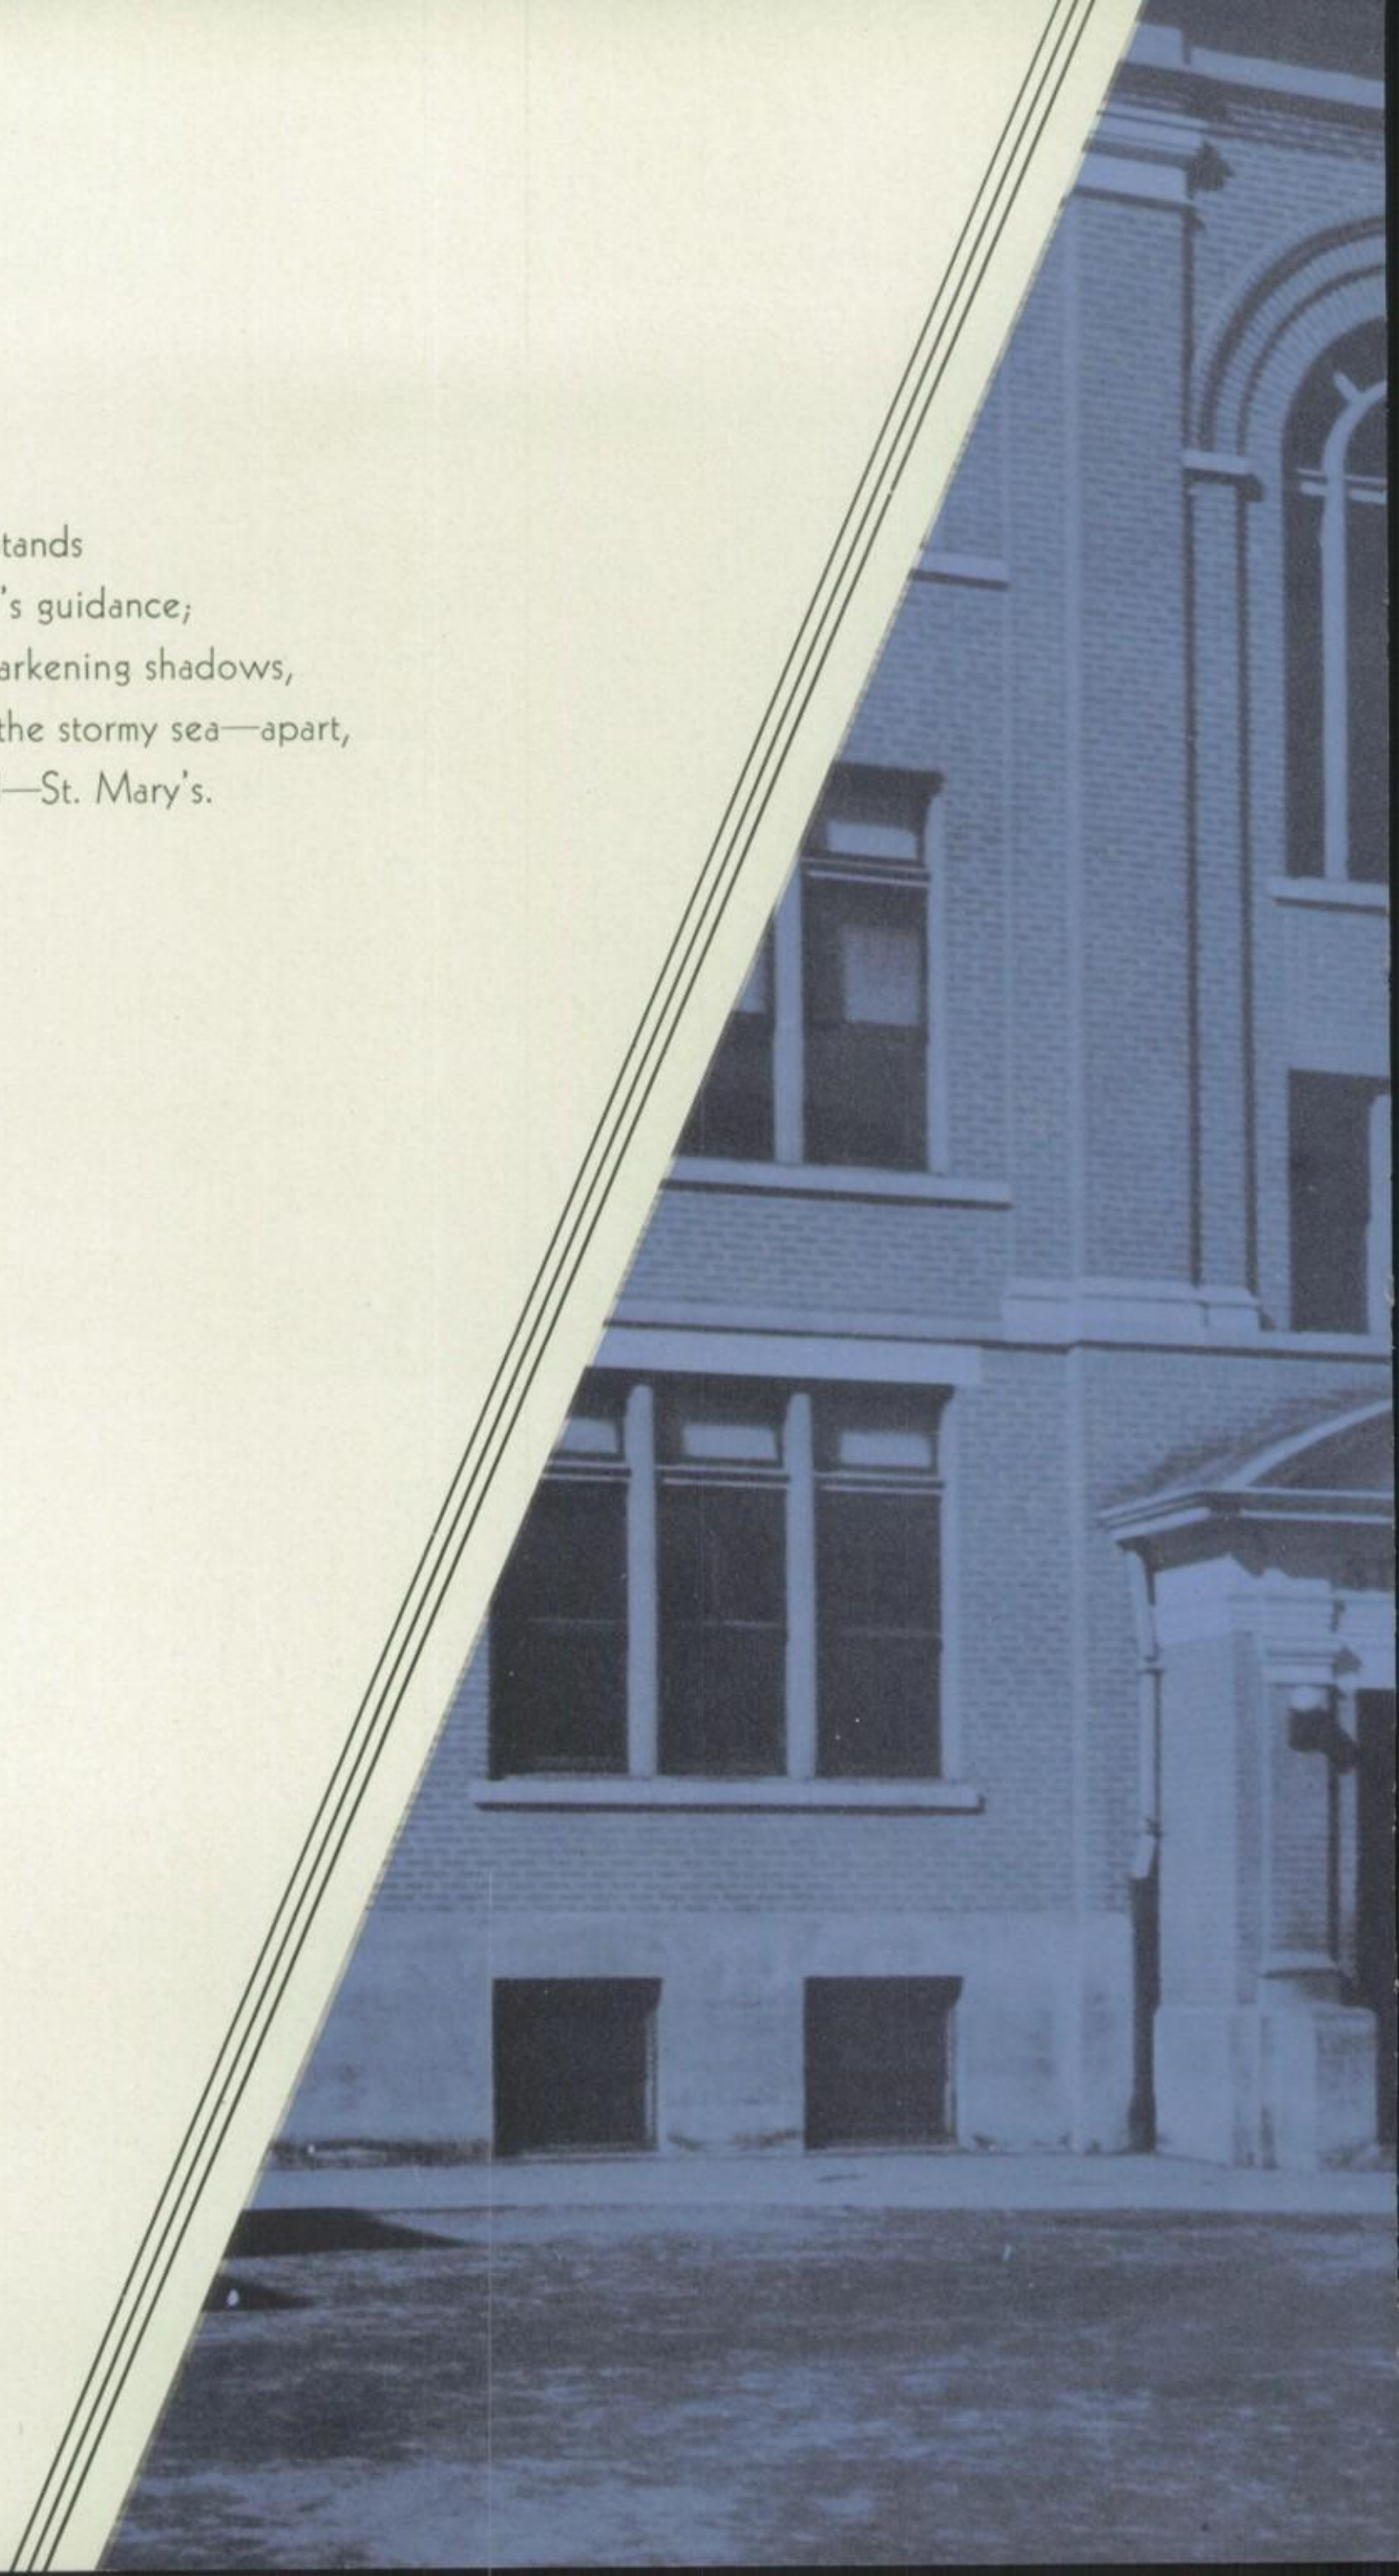

In an effort to retain the many ideals of our school life at St. Mary, the Senior Class of '40 has endeavored to publish this yearbook. It is the record of our activities! Our beautiful Memory Book!

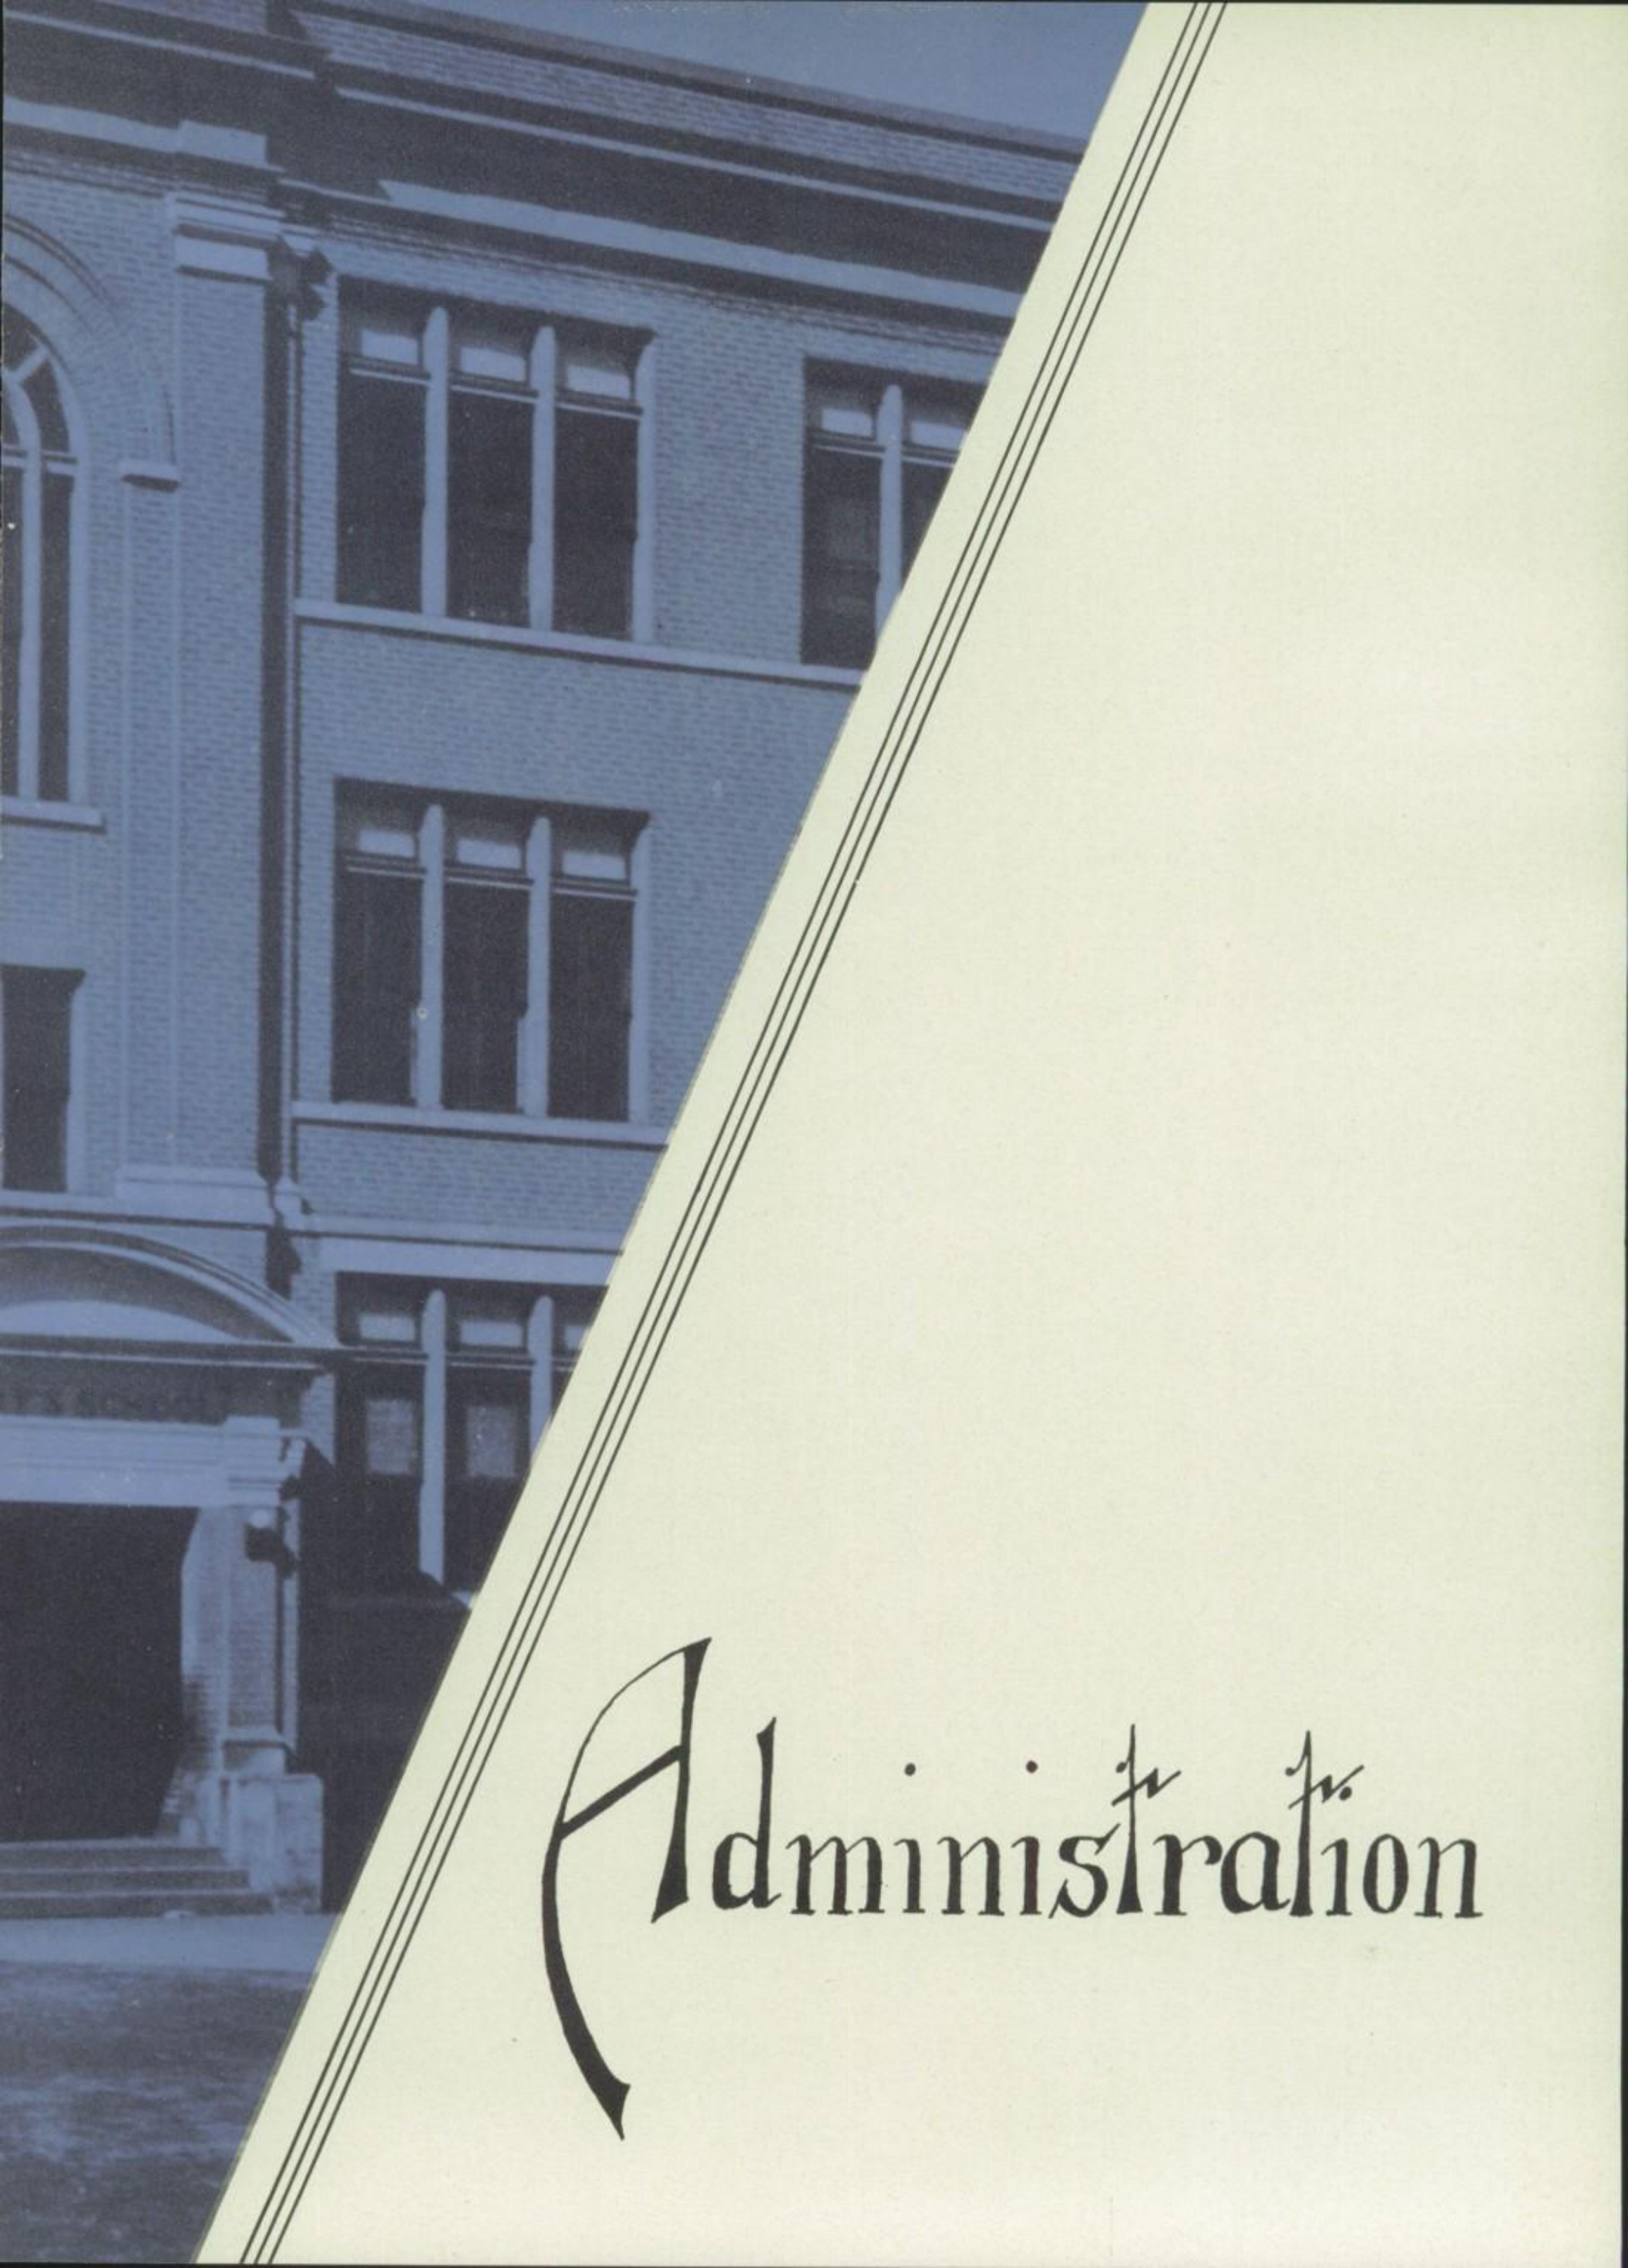

May these pages cheer us in the future; may they anchor us to our Alma Mater and to our Faith.

We give you this, our loved volume, to read . . . but it is ours since it teems with memories of our high school days.

Long after we have closed the doors of St. Mary and entered through the massive doors of the business world, may we hope to find sweet companionship on opening this, our "Renard" of 1940, which harbors the memories of yesteryears.

Steadfast it stands
Under Mary's guidance;
A light in darkening shadows,
Away from the stormy sea—apart,
All for God—St. Mary's.

Administration

Our Pastor

RIGHT REVEREND MONSIGNOR JOHN J. HUMMEL

Dedication

With a feeling of deepest affection and devotion, we, the Class of 1940 sincerely dedicate the "Renard" to our beloved Pastor, the Right Reverend Monsignor John Hummel and to the twelve classes that have graduated from dear St. Mary High School.

As Christ of old was surrounded by His faithful twelve so this watchful shepherd, this mentor and instructor of youth gathered about him the Graduates of St. Mary. Through zealous prayer, Christ-like sacrifice, and saintly endeavors he led these youthful bands on the path of virtue teaching them the truths of our Holy Faith and the principles of a good Christian life. His priestly zeal knew no bounds—both the spiritual and temporal needs of the flock entrusted to his care demanded his attention and whole-heartedly he gave it. He opened the doors of St. Mary Church to his loved parish, and the doors of St. Mary School to the Catholic youth of Menasha so that all may receive the gifts of God.

We, the youngest of his apostles—the fairest of his flock—in a humble way can show our grateful appreciation by dedicating to Reverend Father Hummel this our treasured volume—the Renard of 1940. We pray that he will receive his eternal recompense for all his labors from the great Shepherd, Christ the Lord.

St. Mary Church

Morning hymns
Evening chants
Have long been sung
In this great temple of God—
St. Mary.
A stillness reigns—and
Then comes peace
To the worshipping soul
In solitary prayer.

A Tribute

Bells of St. Mary's . . .
Silver Bells . . .
Peal forth in jubilant refrain . . .
Ring out in joyful exultation.
For twenty-five long years
Our loved Pastor
Labored
In the vineyard of St. Mary's.
By prayer and by sacrifice
Through smiles and tears
He led the souls
To God . . . brought reconciliation . . .
Whispered words of cheer
To the ever burdened souls.
We give our thanks . . .
Sincerest thanks . . .
To our Rt. Rev. Msgr. John Hummel
Who organized this parish
Who built these monuments . . .
Our church, our school.
Tinged with the silver sheen
They stand
As the great achievement
Of one
Who seeks God's honor . . .
No recompense . . . on earth . . .
But only the eternal crown
And everlasting happiness.

New Entrance, St. Mary Church

Our Principal

REV. FATHER JOSEPH A. BECKER

Rev. Joseph A. Becker

St. Mary has as its administrator a leader—a man working with untiring efforts—a man devoting his very life and love to our school—and this man is none other than our principal, Reverend Father Becker.

For eleven long years he has labored and built up a school appreciated for its principles and its continued emphasis on the development of human values in education—St. Mary School. As the great architect, he fashions the souls and minds of young men and women into masterpieces of character.

Modest and reserved, he avoids the limelight—never seeks reward nor praise. His compensation is in the character formation of the boys and girls of St. Mary's into good Catholic men and women.

There is a bit of reward in each success of a former student—an alumnus who has made progress—a bit of reward in each graduating class for he knows that he has been instrumental in the development of each soul and body. What a thrill to his priestly heart, and yet what a sorrow, to bid each graduating class farewell, blessing them and bidding them "God Speed."

The Class of 1940 shall ever remember prayerfully Rev. Father Becker, and beseech God to grant him every blessing and success. May he labor long for dear St. Mary's—labor much in the vineyard of the Lord and thus harvest countless souls of men—especially the souls of youth.

Rev. Father Becker, we thank you! thank you! — always.

Rev. Father Willinger

REV. FATHER WM. C. WILLINGER

Reverend Father Willinger, assistant-pastor at St. Mary, has earned the respect and loyalty of the St. Mary parishioners, and a deep love from the student body. His untiring interest in student activities made him a popular and loved figure in school circles.

Unfortunately, a prolonged illness kept him from us the greater part of the year. We regret deeply his absence and sincerely wish him a God-speed recovery to health.

"Human works will pass away
Fading in the course of ages;
Gratitude is strong, will not decay;
Gratitude, true, desires to repay;
Gratitude will last eternal years."

It is with a feeling of deepest gratitude that we, the Class of '40, offer our sincere appreciation to the Faculty of St. Mary High.

You were interested in our spiritual and temporal well-being. You have taught us to know God—to love Him—to serve Him. Daily, you have impressed upon us to live Christ-like—Mary-like—; to enrich our lives with goodness, truth and beauty. Your advice and admonitions were wise and opportune.

True to our Catholic education we will endeavor to show ourselves grateful and may our lives be monuments in memory to our Faculty.

To Our Parents

You have given us the most precious thing—
Life.

You have guided us through tender years
and brushed away our childish tears—

You have watched us grow and enter
school to gain the knowledge we need in
later years.

Through grade school and high school we
seemed to fly—the years passed swiftly by—
and now we say:

We thank you, dearest Mothers, loved
Fathers, for making us that which we are—
Thank you for the love you gave us, for
educating us.

Thank you for everything—everything.

Our prayer will always be:

Holy God, Sweet Lord!

Keep our loved parents, bless them always; keep them well and happy. Spare them unto us for
many, many years.

You, dear parents, may you always find in us joy and comfort here on earth, and when life's span
is run may we, your sons and daughters, be united with you in heaven's home praising God for all
eternity.

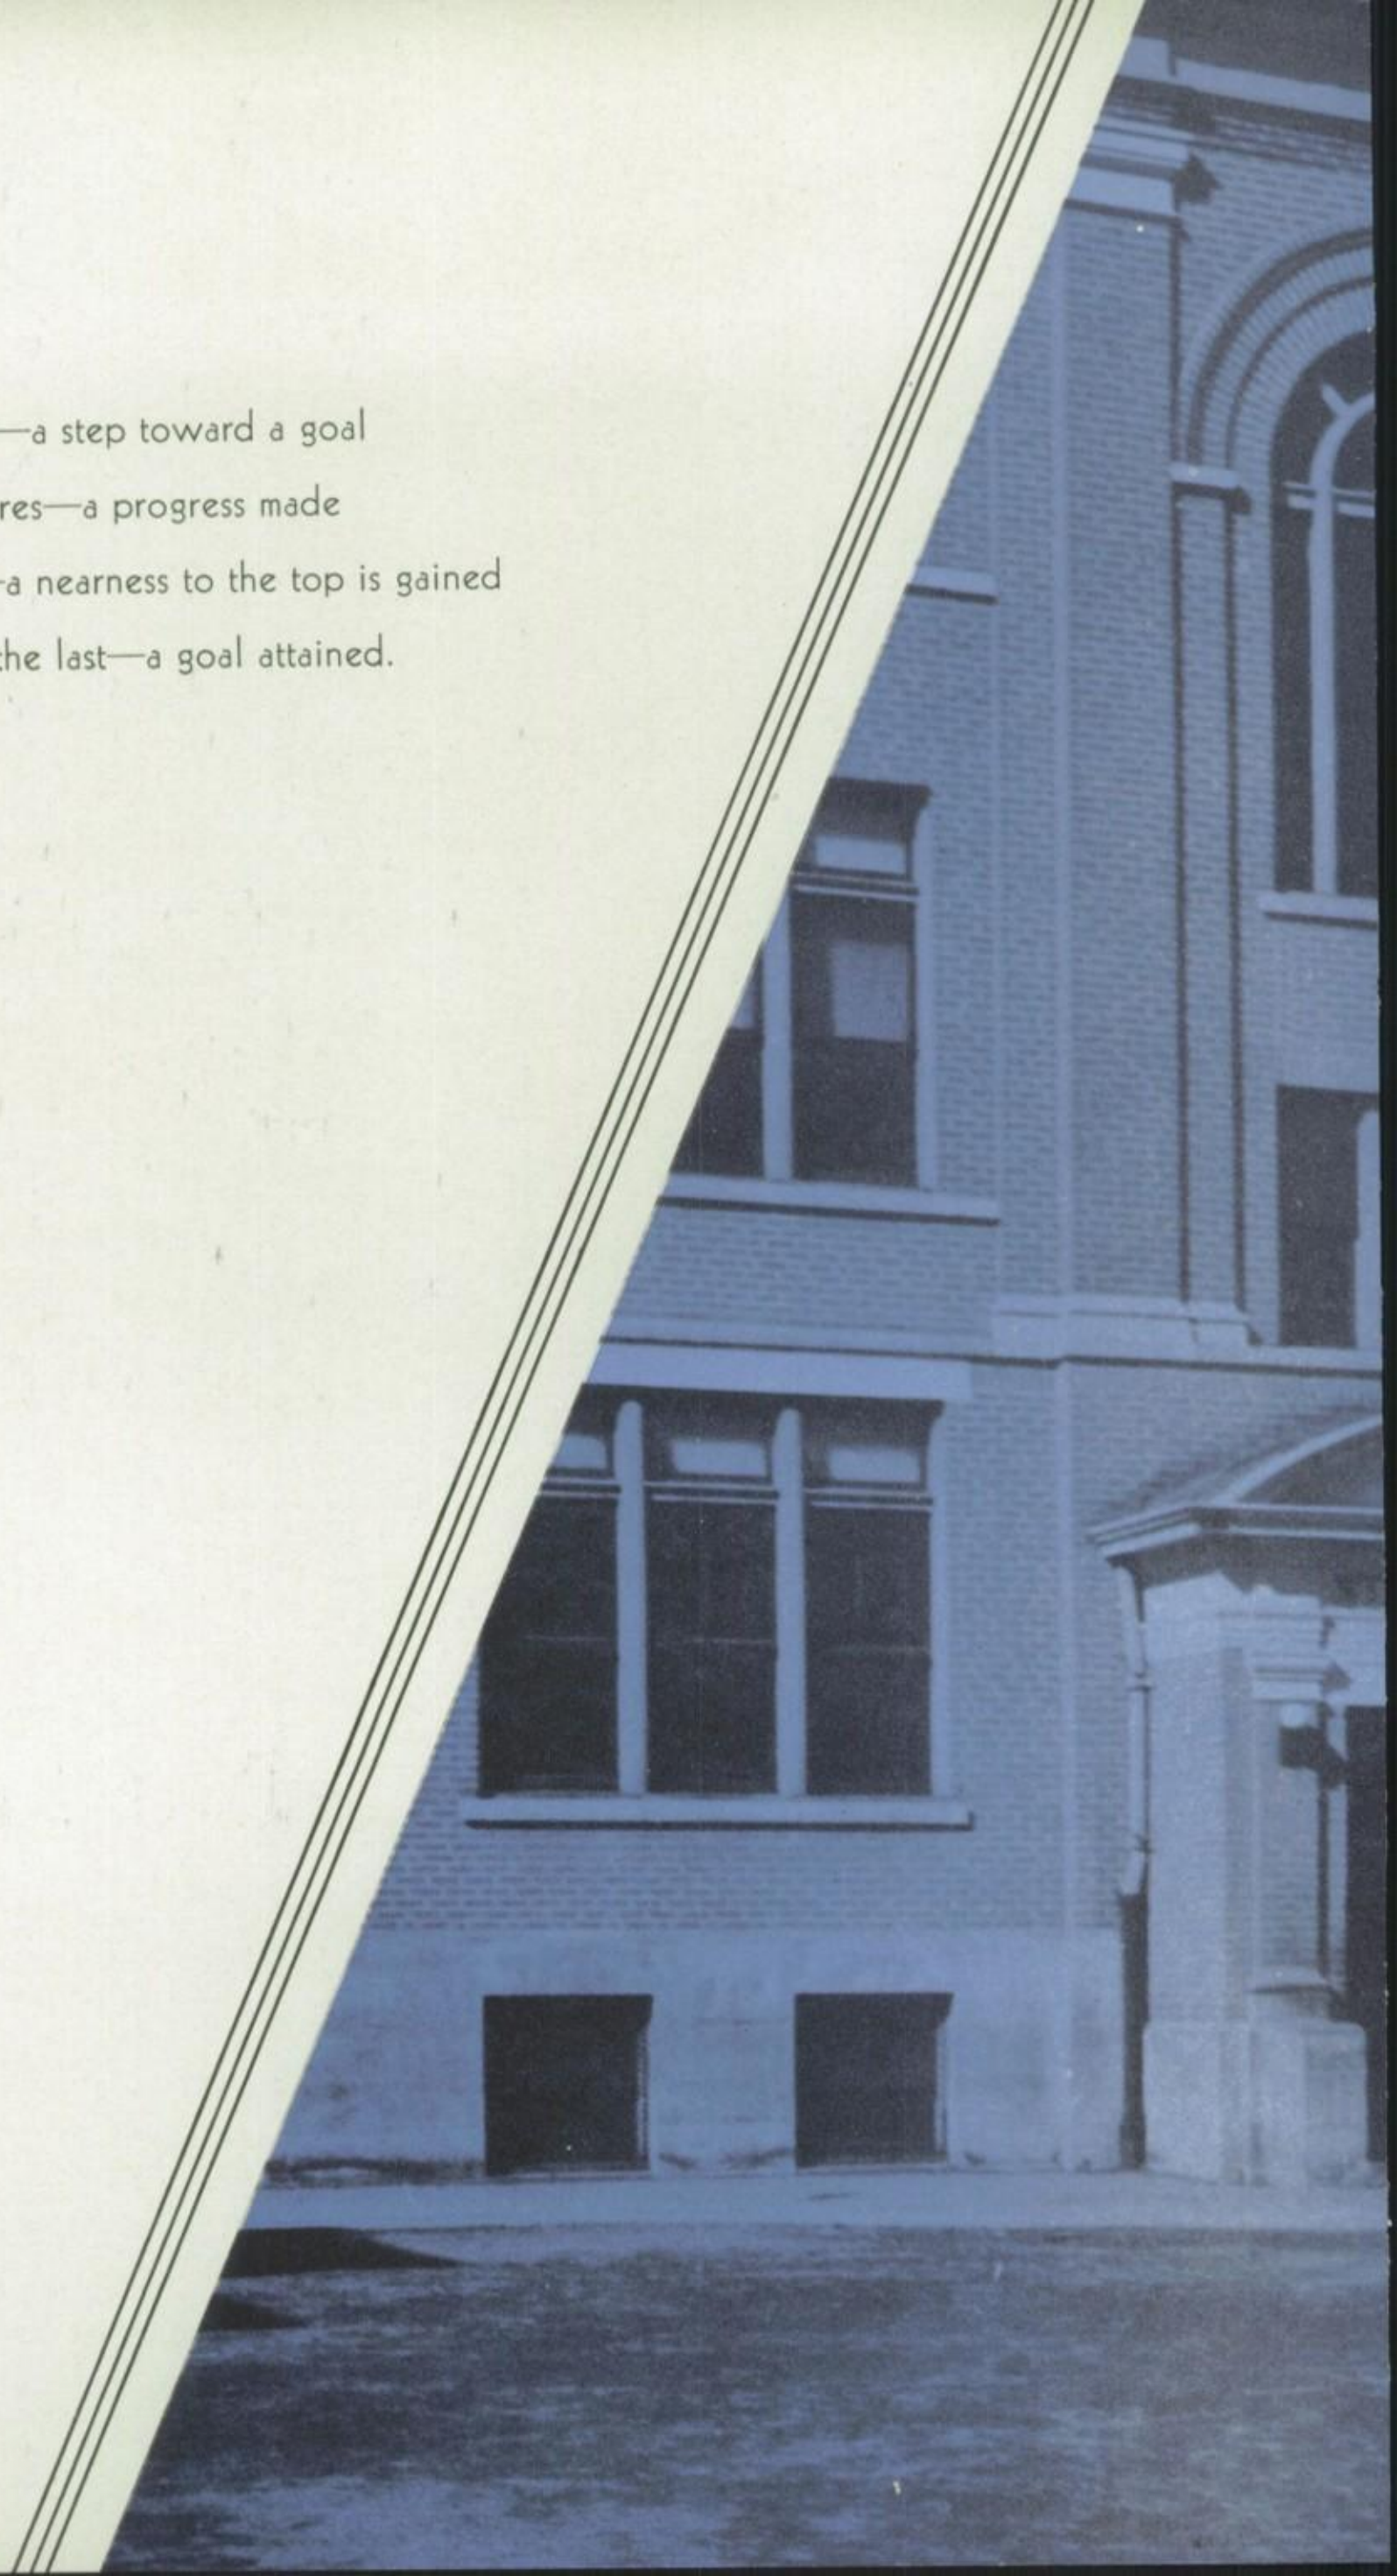

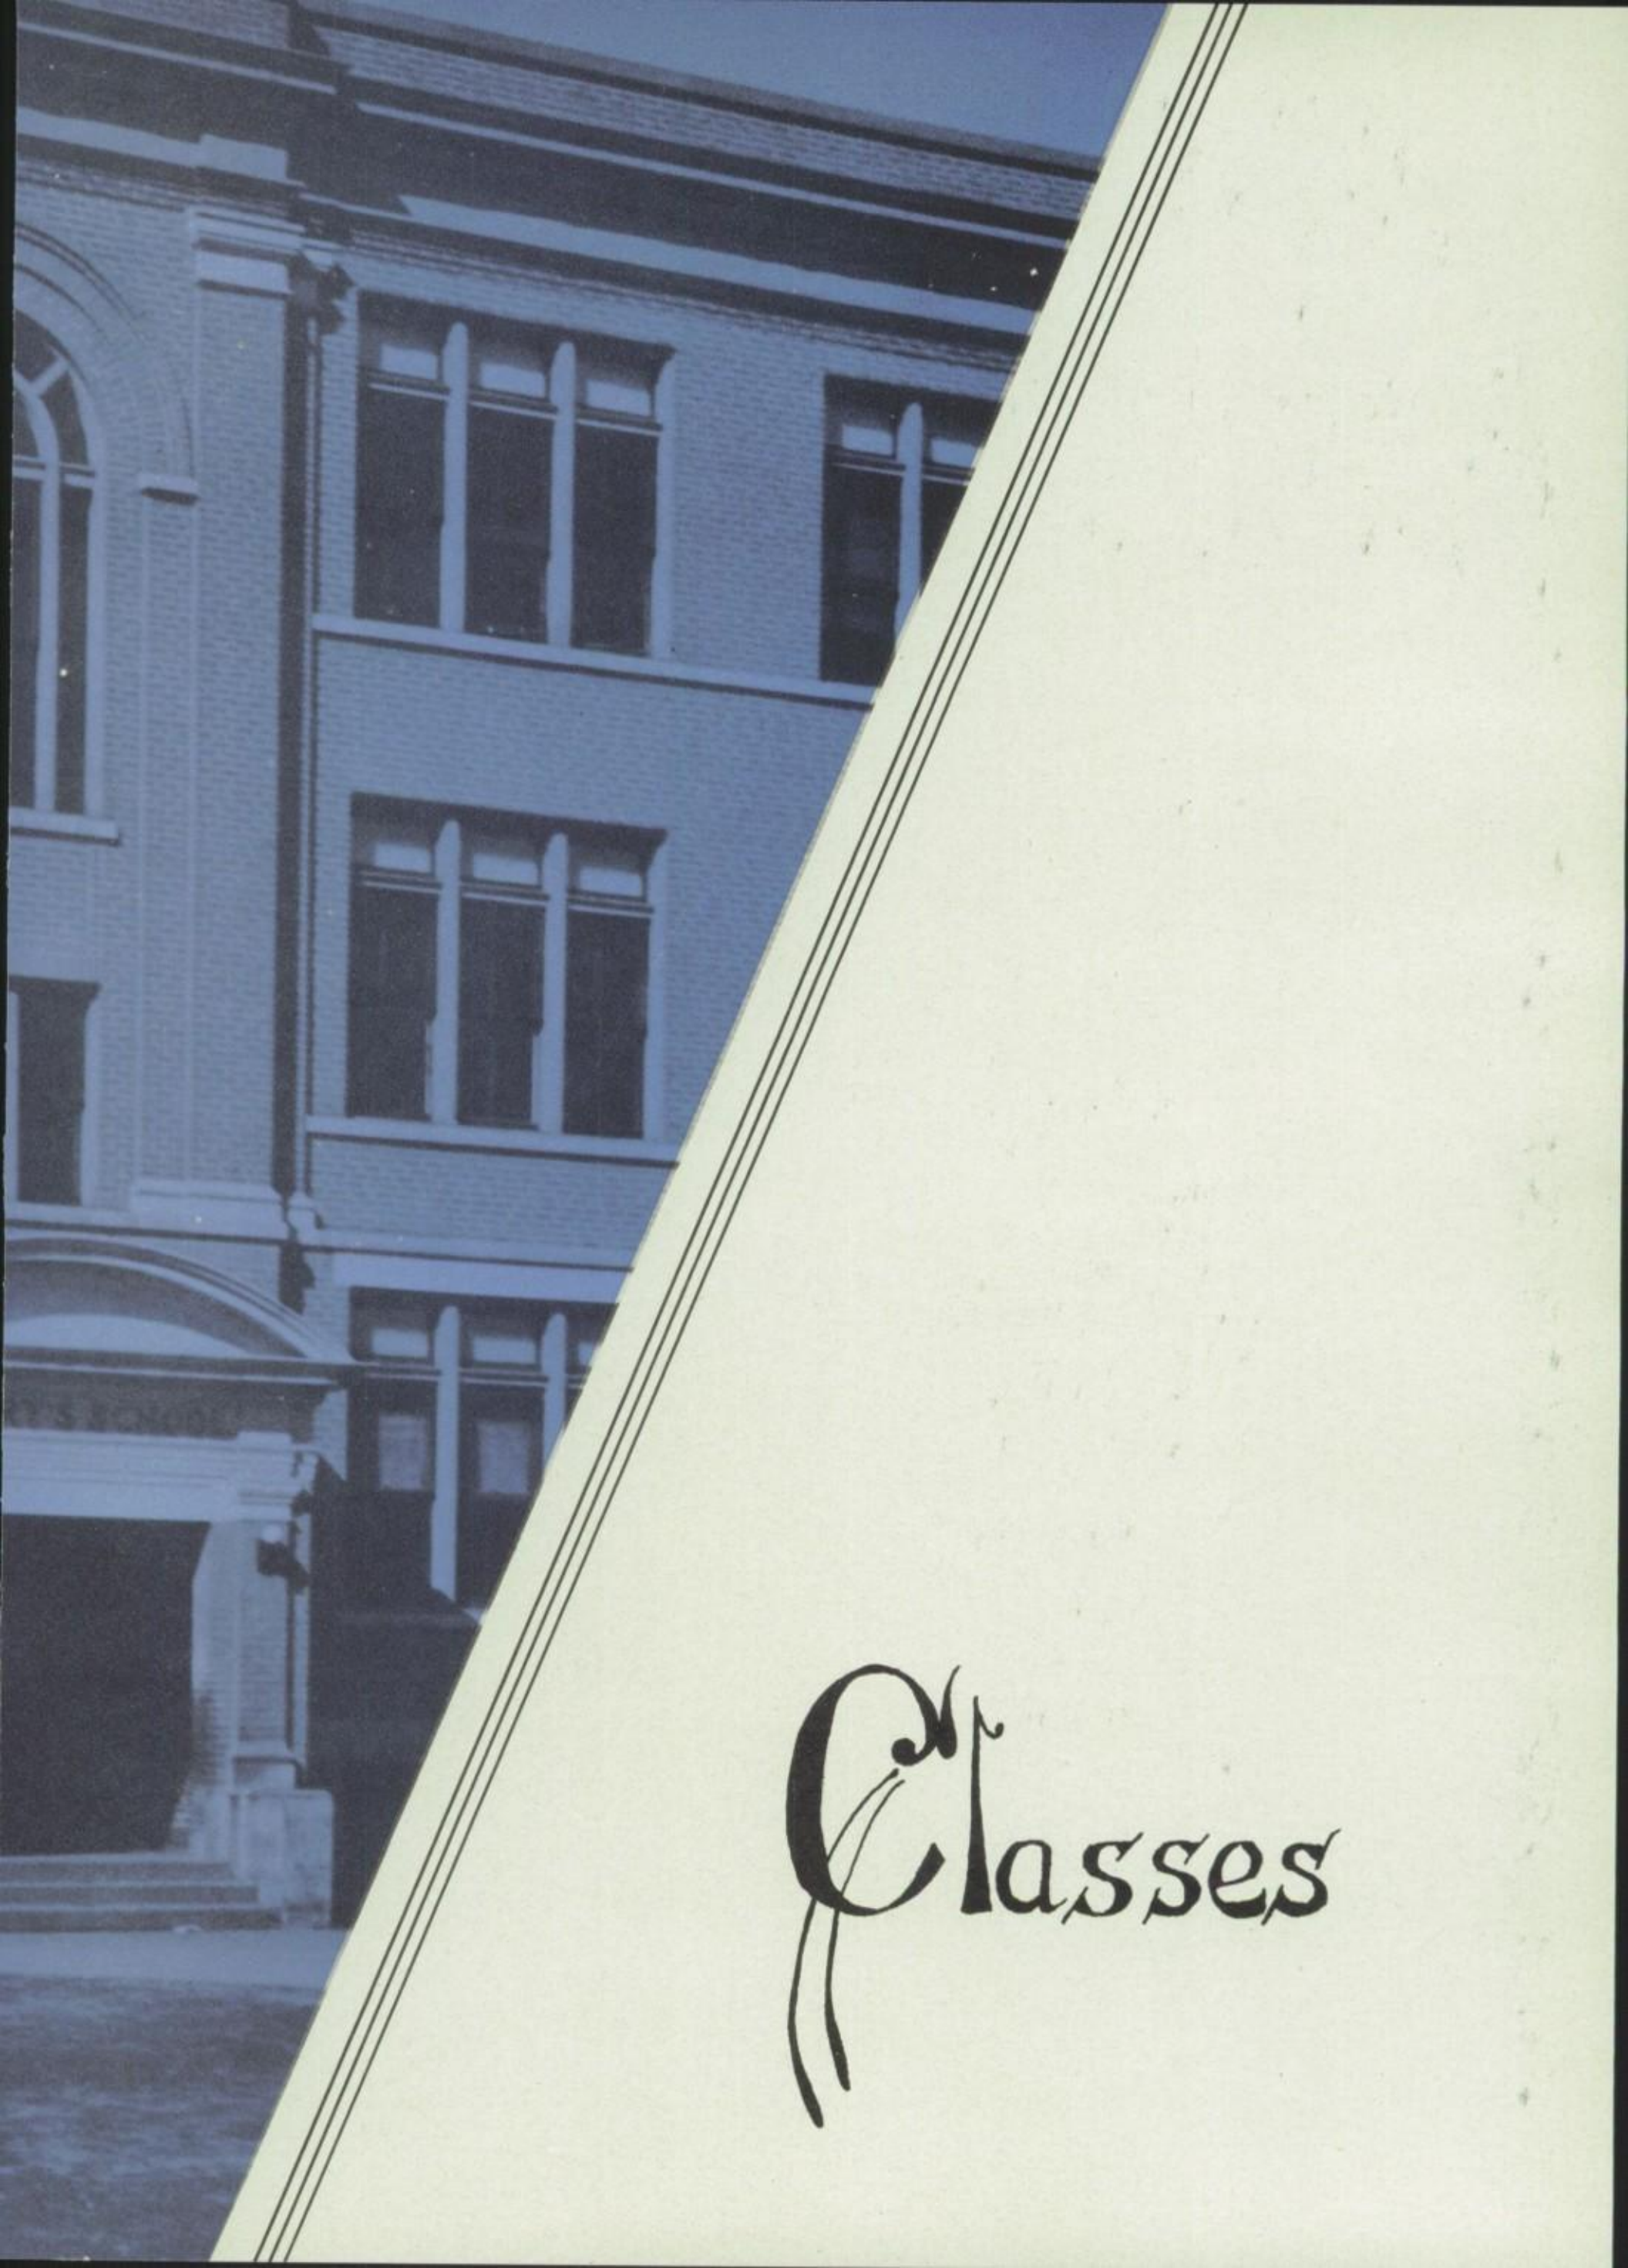

Freshmen—a step toward a goal

Sophomores—a progress made

Juniors—a nearness to the top is gained

Seniors! the last—a goal attained.

Class Poem

A dream, a hope, a memory
Have joined
As we, the Class of '40
Stand on the threshold
Of the future.

A DREAM—which four years
Has formed, fostered and cherished.
Shall this dream be realized?
Shall our paths lead
To barren desert
Or lie midst verdant foliage?
He whose ever loving Hand
Has guided, guarded, yea blessed,
Will cull our dream
Will shape it as He wills.
And we shall be content.

A HOPE—that classmates, each and all
Will keep their courage high
And face the future
Firmly, nobly—to prove
That we have built
But for eternity.

A MEMORY—of four years passed
Within the portals of dear St. Mary
High
Days wherein the shadows and the
sunlight
Intermingled.
Years wherein the ties
Of golden friendship
Have formed to break no more,
Or, where fate has so decreed
Ne'er to meet again,
A bond of memory
All our own.

Pastor, parents, friends and teachers
Each has his place
In our book of memories.
Each has aided, sacrificed
That we might attain our goal.
Our thanks, our prayers are always
theirs.
With this dream, this hope, and
memory
Our school days have come to a close.
God speed—classmates
To all—we Seniors
Bid farewell.

Justine in her four years of high school was a steady, consistent student, always eager to help in fostering school activities. Music was her greatest passion—she proved an adept through her wonderful accomplishments on the piano and several other instruments. During her last year at St. Mary's she served the band as Drum Major. Who knows! She'll be a Madame Paderewski or another Major Bowes.

Lillian G. Beachkofsky

VIRGINIA BAYER "Virgie"

"If all the world were just like she,
What a nice place this would be."

C.S.M.C. 2, 3; Sodality 1, 2, 3, 4; Cecilia Singers 1, 2; Dramatics 3.

"Lillian is a happy combination
Of work, study, and fun."

Sodality 2, 3, 4; C.S.M.C. 1, 2; Cecilia Singers 1, 2; Chairman of Committee in Sodality 3; Knights and Handmaids 1, 2.

Lillian, a congenial person, will always be remembered by the class of 1940. Her kind cooperation in the many activities brought into the foreground a charming girl. Her pleasing frankness and clear thinking has made her outstanding in the rank of graduates. May your future be a path of "sunshine and roses."

Marie A. Boehnlein

MARIE BOEHNLEIN "Eppie"

"Here's a maiden without pretence
Blessed with reason and common sense."

Cecilia Singers 1, 2, 3, 4; C.S.M.C. 1, 2, 3; Glee Club 1, 2; Sodality 2, 3, 4; Eucharistic Committee 4; Assistant Secretary in Sodality 2; Dramatics 1, 3; Renard Staff 4; Knights and Handmaids 1, 2, 3, 4.

Marie is a quiet person whom you must know to appreciate. She very seldom talks, but when she does, she is sincere and true. Extremely conscientious in her studies, she proved to be a good student. Promptness and cooperation are the qualities stamped upon this pleasing character.

VICTORIAN BUTREM "Vicki"

"Never sees the dark side of life."

C.S.M.C. 2, 3, 4; Sodality 2, 3, 4; Speech 3; Debate 3; Literature Committee 4; Cecilia Singers 2.

This excellent student came to us as a Sophomore from Two Rivers, Wisconsin, and fell right into an energetic campaign for St. Mary's. She is always cheerful and displaying an "A" number one school spirit. Her deepest joy is found in planning her future years as an aviatrix. Here's to you, Victorian! May you always speak of victory.

Victorian J. Butrem

EVELYN CLARK "Clarkie"

"The girl with the jolly chatter."

Cecilia Singers 1, 2; Sodality 2, 3, 4; C.S.M.C. 1, 2; Glee Club 1; Renard Staff 4.

Tom has a good method of gaining friends and holding them. His unceasing loyalty and courtesy are probably the cause of it all. Athletically inclined, he has participated in football and boxing, and has assisted Coach Zuercher as manager of the basketball team. He has proven a hero on the football field, and a success in the classroom. Here's to a "regular sport"!

Thomas L. Day

DANIEL DE GROOT "Sneezy"

"We do applaud thy spirit."

Acolyte 1, 2, 3, 4; Dramatics; Monitor 4.

Everybody likes "Sneezy"! You just can't help but like his whole-hearted simplicity—you must accept his right hand of fellowship! A worthy friend, large-hearted, and clear-eyed, he has remained straight on the path of duty. He accepts his dwarfish nickname "Sneezy" with a grin—a grin that typifies him and shall forever be carried with us!

Daniel J. De Groot

For every one she has a smile."

Sodality 1, 2, 3, 4; C.S.M.C. 1, 2, 3; Cecilia Singers 1, 2, 3; Dramatics 2; Glee Club 1, 2.

Helen's natural, sweet manner has to some extent overcome her shyness. The latter quality in Helen keeps many from knowing her real characteristics. She has filled her high school life at St. Mary's with earnest endeavors. May she ever succeed in future years.

Helen M. Dorzweiler

With quiet assurance, Vivian performed all her duties. No matter where she is or how busy she may be, she is ever ready and willing to help others. She has an excellent mind for work and play, and often gladdens our hearts with her timely humor. She has proven to be a good sport, and to her we wish the best of everything.

The Seniors of Room 307 chose Joseph as leader for their class. A very excellent choice! He was a young man possessing rare qualities of a class president—leadership, scholarship and friendship. He possesses that indefinable something that makes him most popular in St. Mary's and what is more, his studies prove that he will be a success in future years.

ROSEMARY FREDERICK "Freddie"

"Freddie" is an excellent all-around student. Coming to St. Mary's on a scholarship from St. Patrick's, she has kept up the good work. Consistent in her studies, this sweet-natured little girl has set a mark difficult to surpass. Capable, industrious, and earnestness are just some of her fine traits. We know her as the student who seriously ponders over her studies endeavoring to make the most of her school opportunities.

She will live forever."

Band 1, 2, 3, 4; Drum Major 3, 4; Prom Committee 3; C.S.M.C. 1, 2, 3; Sodality 2, 3, 4; Cheerleader 1, 2, 3; Renard Staff 4; Dramatics 1, 2.

One of the many products of St. Mary's, Monica has proven to be a good leader and a happy type of lassie. Her leadership became evident when she became drum major of the band. For two years she fulfilled this duty. Cooperation plus earnest striving spelled success for Monica at dear St. Mary's—and we hope—it will spell "success" for her in the future.

ROBERT GAMSKY "Wooly Bob"

"A happy-go-lucky lad,
Who was never sad."

Football 1, 2, 3; Prom Committee 3; Sodality 2, 3, 4; Monitor 4; Holy Name 1, 2, 3, 4; Renard Staff 4.

Robert gets his nickname from his wooly hair which is a mass of blond curls. Being interested in photography, he had much to do with the snapshots of our yearbook. His favorite sport is hockey and his thoughts and desires run along this kind of winter sport. Even his essays define very minutely this game. Good luck to you, Bob. Play your life's game fair and square.

Robert A. Gamsky

PAUL GARTZKE "Paulie"

"Happy and joyous and full of glee
Nothing serious ever bothers me."

Sodality 4.

Paul has accomplished much in printing, and has come to be known as our adept printer. He hopes to use this knowledge in the near future, and we wish him every success. He takes a deep interest in outdoor sports, especially skiing and hockey. His smile and ready wit have won for him many friends in St. Mary.

Paul A. Gartzke

ALVIN GORETZKE "Al"

"Never a worry for the future."

Sodality 1, 2, 3, 4; Monitor 4; Holy Name Society 1, 2, 3, 4.

In the rank and file of his classmates, Alvin is a fine fellow. He's quiet but he can enjoy the humorous tactics of his companions. He was not inclined towards athletics, took no active part in any, but was keenly interested in tennis, was an earnest enthusiast of that sport. Good luck to you.

Alvin J. Goretzki

NORMAN GRIESBACH "Nubs"

"In knowledge he's astounding,
In sparkling wit, abounding."

To his friends and companions, he is known as "Nubs." Yes, Norman ranked high in scholastic ability. Ever quick and witty, he was alert to catch the humorous part of a recitation. Then, too, he knew when to be serious and when to be gay. A great leader in all activities, he excelled in football, basketball, and band. Outside activities never interfered with his school work, and he proved to be an outstanding student. Here's wishing you the best in all your future undertakings.

Eugene W. Hoks

Raymond J. Huelsbeck

EUGENE HOKS "Gene"

"He that's content has enough."

Football 1, 2, 3; Sodality 3, 4; Monitor 4; Speech 4.

Gene was ever faithful and trustworthy throughout the four years of his high school career at St. Mary. Seldom in the limelight, but always reliable and dependable, he could always be "counted on." These characteristics are worthy to be appreciated and at the same time are deserving of a successful and happy future. Here's to you, Gene!

Alice M. Keberlein

RAYMOND HUELSBECK "Ray"

"Quiet, reserved, and rather shy,
He'll get there by and by."

Football 2, 3, 4; Sodality 2, 3, 4; Band 1, 2, 3, 4; Band Officer (Sergeant-at-large); C.S.M.C. 3; Speech 3; Holy Name 1, 2, 3, 4.

Steadily, Ray plunged along filling his four years of high school with study and pleasure. A hardy lad, he did his part, especially putting forth earnest efforts in football. Even though at times he seemed quiet—nevertheless, there was a mischievous twinkle in his eyes—the harbinger of fun.

ALICE KEBERLEIN "Kebe"

"To be womanly is the greatest charm of women."

Cecilia Singers 1, 2; Sodality 2, 3, 4; C.S.M.C. 1, 2; Glee Club 1; Renard Staff 4.

Charming and gay, Kebe pushed on securing and accomplishing great achievements. She is always in the best of spirits which acts as a balm to all her companions. Sincerity and simplicity are some of her fine characteristics.

Janet S. Kehl

JANET KEHL "Jenny"

"Faithful, thoughtful, and kind,
We shall always bear her in mind."

Sodality 2, 3, 4; C.S.M.C. 1, 2, 3; Our Ladies Committee; Bell Ringer 4.

Janet is one peppy individual who manages to uphold her dignity. She is a good sport and can laugh heartily over a joke even if it is at her own expense. Faithfully and promptly throughout our Senior year, she rang the period bell, announcing change of classes, thus she was a great service in dear St. Mary's. As regular as "Old Faithful," Janet could always be depended upon.

ORVILLE KEHL "Runt"

"Constant as the northern star."

C.S.M.C. 2, 3; Monitor 3, 4; Sodality 1, 2, 3, 4.

Orville is one of those students who believes in keeping things to himself, and thus keeps out of trouble. A dependable boy, he can always be counted upon as one ready to do what he can, for he showed staunch loyalty to St. Mary and to friends during his years here at school. We give a vote of thanks to a good-natured, agreeable fellow!

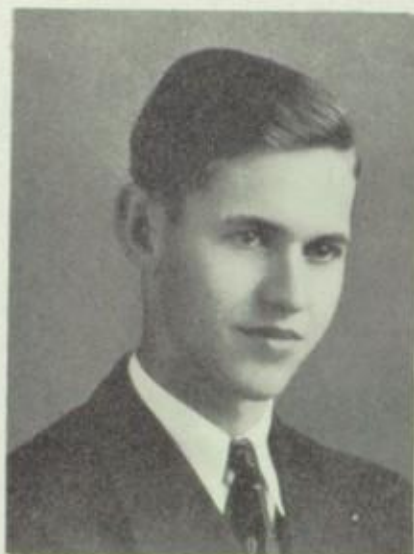

Orville W. Kehl

FRANK KOLASINSKY "Shanks"

"If all the world were just like he
What a nice place it would be."

Sodality 1, 2, 3, 4; C.S.M.C.

Frank is a scholar. Though quiet, unassuming, he has a pleasing personality. He ranks high in scholastic, social, and athletic endeavors. When he leaves the portals of St. Mary's may he find success. Lots of luck to you, Frank.

Frank W. Kolasinsky

DOLORES KOSKY "Dosie"

"Ready, willing, and able."

A Cappella 2, 3; Cecilia Singers 1, 2, 3, 4; C.S.M.C. 1, 2, 3; Glee Club 1, 2; Dramatics 1, 2, 3; Sodality 2, 3, 4.

Could anyone find a more cheerful and friendly girl than Dolores? Faithful and untiring, she carried on her four years of high school with earnest endeavors. Always doing her part, she unselfishly promoted the work of the missions. Her friendly smile and pleasant attitude meant inspiration to others. Gratefully, we shall remember our lovely Dolores.

Dolores K. Kosky

LOUISE KRAUTKRAMER "Weasel"

"Louise is a girl popular and gay
But still has time for study and play."

Sodality 1, 2, 3, 4; Glee Club 1, 2; A Cappella 3; Cecilia Singers 1, 2, 3, 4; Class Officer 2; Honor Society 3; Speech Club 1, 2; C.S.M.C. 1, 2, 3; Debate 3; Dramatics 1, 2; Student Librarian 3; Handmaid of Blessed Sacrament 1, 2; Renard Staff 4.

Our sweet smiling Louise with her winning personality and charming manner was the best student in her class. An all "A" student throughout her four years in high school, she is sure to be a success in life. Her success will be greatly assisted by her two greatest assets, her willingness to cooperate and the respect she arouses in every one who knows her. She is popular and well liked. One may think her too conscientious in her school work but on closer acquaintance one finds that she may be carried into the land of moods and caprices as well as in the world of high averages.

Louise E. Krautkramer

ROBERT LALLEY "Bob"

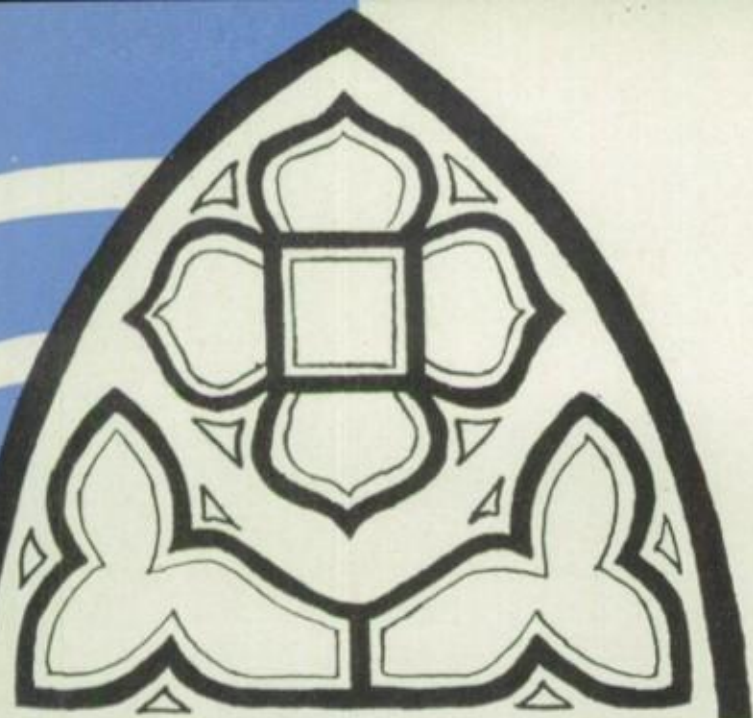

"Where's Bob?
You wouldn't think it
Under the desk,—
Now what trinket?"

Speech 3; Football 1, 2, 3, 4; Prom Committee 3; Sodality 2, 3, 4; A Cappella 2, 3; C.S.M.C. 1, 2, 3; Band 1, 2, 3, 4; Band Officer 4; Holy Name Society; Basketball 3; Renard Staff 4.

Robert has a character all his own—and then, too, Bob has a great flare for music. Using his talent, he played saxophone in the band for six years. His jovial manner and many jokes enlivened many a dull moment on the gridiron and at band practice.

Robert G. Lalley

Seniors

Jerome C. Lingnofski

Magdalen M. Malenofsky

JEROME LINGNOFSKI "Linga"

"A man with a smile, a man worth while."

Basketball 3; Boxing 1, 2, 3; A Cappella 2, 3; Class Officer 4; C.S.M.C. 2; Football 1, 2, 3, 4; Holy Name 1, 2, 3, 4; Knight of the Blessed Sacrament 4; Monitor 3, 4; Prom Committee; Renard Staff 4; Sodality 3, 4; Speech 4.

Linga is a student with quantity plus quality,—but don't let that robust football stature fool you. He is a dynamic personality, overflowing with action and ideas. Dorothy's pleasing smile and charming personality endeared her to all classmates and to those who knew her. To some of her intimate friends, she is known as "Scotty," which name she received because of her wearing the little green "Scotty" hat in a most effective manner. To every activity, whether scholastic or social, she gave her very best. Full of life, sympathetic at all times, one could not help but appreciate her quiet charm. May success be yours, always.

A typical fellow—quiet, good-natured and courteous. He hailed from Appleton and was interested in scholastic and social activities. On many occasions he was serious but we find moments in his life that were humorous. He believed in the old adage, "All work and no play makes Jack a dull boy." We find "Charley" taken up in skating and skiing—fine winter sport for a boy like Charles.

You just can't help but like Smitty; probably it's because she likes everybody else and shows a remarkable tendency towards harmless mischief and sweet gayety. An ever busy person, she could be seen darting about spreading her delightful characteristics everywhere. But also a level-headed and serious girl, she guided the Sodality through a successful year. May you forever retain the atmosphere of mirth and joy that surrounds you, Jeanette.

AGNES SCHNEIDER "Aggie"

"Scov" is the type of fellow who never gives up. School activities were his interests. He was laid up with a broken leg—the result of his too great football ambition. All school activities were enthusiastically attended by Don. His friendly manner and sporting air have carried him through four years of school life. St. Mary's will miss him. His heart will never leave St. Mary's. So long, old pal!

"Ken" is truly sociable and possesses all the gaiety, subtle humor and cheerfulness that are requisite for social life. He plays a trombone and is a master in its execution. As a student he was always there—not sensational, but reliable, whole-souled. He could be counted "in" at all school activities. With more than a languid interest for music he has already made a "niche" for himself and promises to go far into the field of music. Here's to you, Donnie!

CLEMENT WILFLING "Ducky"

"The one who talks the least,
Perhaps, the one who thinks most."

Acolyte 1, 2, 3, 4; Holy Name Society 1, 2, 3, 4.

"Ducky" as he is known to his most intimate friends, is exceptionally quiet, yet he is liked and respected by all. He has been a faithful acolyte for many years, and may his future be blessed for the generous service given to the Lord. Clement likes to keep things to himself and that is a great loss to everyone else. His simple manner has gathered about him a host of friends.

Roy F. Williams

ROY WILLIAMS "Lightning"

"He always looks before he leaps
And always thinks before he speaks."

Band 1, 2; Basketball 3; Monitor 3, 4; Sodality 2, 3, 4.

"Lightning" has a very pleasant character which is the foundation for much of his success. He is quiet and reserved, but well-versed in world affairs, for he won the essay contest sponsored by the Knights of Columbus. Because he never does anything without thinking he never offends anyone. May this be the surety of success in life. Here's to you, Roy!

"Soph" is a girl of many fascinations. Earnestly and eagerly she plunged into a great many activities. She possesses a genuine character for making friends, flashing an infectious smile in a generous fashion and extending sympathies as wide as the world. "Mighty in word and deed."

Sodality 2, 4; Debate 4; Dramatics 2, 3; C.S.M.C. 1; Prom Committee 3; Renard Staff 4; Class Play 4.

Even delighted when he could participate in a good time—he was the center of attraction when fun reigned supreme. May success be yours, always, Burkart.

Burkart J. Wolf

DORIS YOUNG "Red"

Doris M. Young

PERCY ZIMMER "Zim"

"Better late than never."

Percy has many things that demand his attention. Perhaps, that accounts for divided interests and delays. But we like him for his technique in taking life easy! Although he claims that he's no brain storm, he occasionally flashes a streak of intelligence which he could easily flash more often. Good luck to you, Percy, our "good sport" and "regular fellow!"

Percy J. Zimmer

Bob—many fathoms deep—is a very fine type of boy. One finds him continually submerged in his school work and wisely overcoming scholastic obstacles. His fine vocabulary and clearness of thinking amazed the rest of us. He always thinks before he speaks, and that is why Bob is seldom wrong. His great determination and deliberation have made him a model student of St. Mary High.

English

English is the predominating cultural subject—wide in its scope, but cleverly proportioned to meet the needs of all high school students.

It encourages the student to creative thinking, clear expression, and correct usage of the English language, and thus enables him to become appreciative of beauty and life itself.

These aims are attained by the presentation of grammatical aspects, discussion topics, original composition, and the study of literature or the classics.

The English Department is in the charge of Sister Mary Evangeline, Sister Mary Merici and Sister Mary Clementia.

History and Social Science

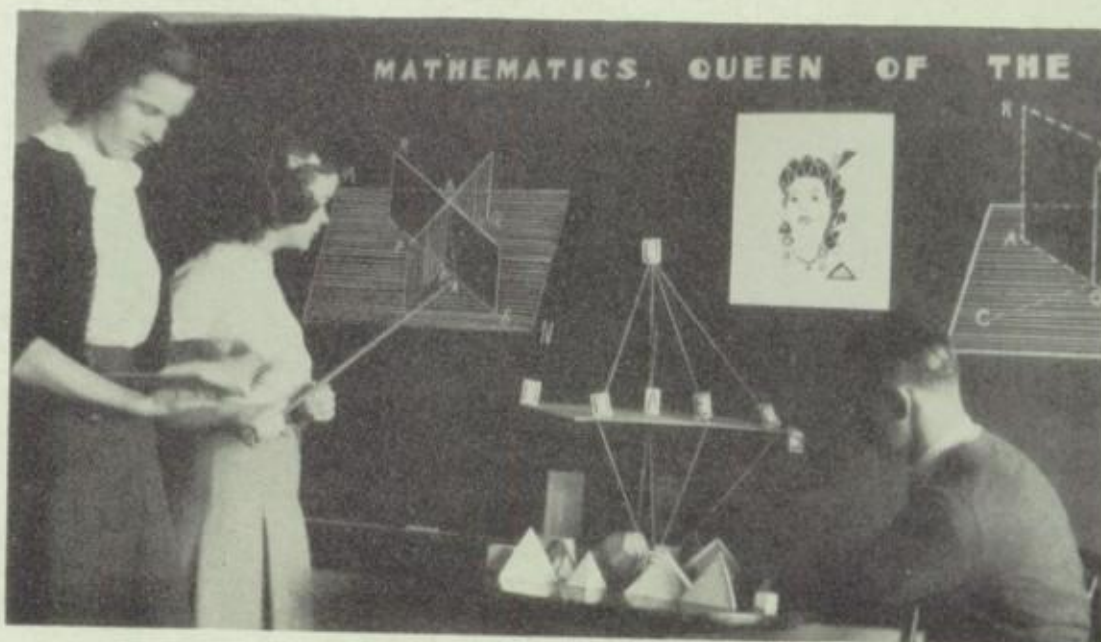

History-minded students find a variety of courses to follow. These include a semester's work in both Ancient and Medieval history; an obligatory course of American history in accordance with the law of the Wisconsin Educational Board. History is taught by Sister Mary Eudocia and Sister Mary Clementia.

Closely related to this field of study is Social Science. This program offers a course in Civics for the Freshmen, and a choice in Economics and Sociology to the Seniors who wish to avail themselves of these subjects. This department has for its aim the training of good Catholic citizens so that they may be able to cope with the current problems of the world.

In the Social Science Department Sister Mary Eudocia is instructor of Civics, Sociology, and Economics; Sister Mary Agathangela, in Civics.

Mathematics

Mathematics courses that are offered meet adequately the varied college entrance requirements. One year of algebra and one of plane geometry are required of all students for graduation. Advanced algebra, solid geometry, and trigonometry may be used as electives.

Plane geometry covers the fundamental theorems and construction.

Solid geometry includes the theorems on the relation of planes and lines in space.

In trigonometry the student acquired a general working knowledge of practical trigonometry.

Sister Mary Paredes and Sister Mary Madeleine are the mathematics teachers of St. Mary's.

The Commercial Department

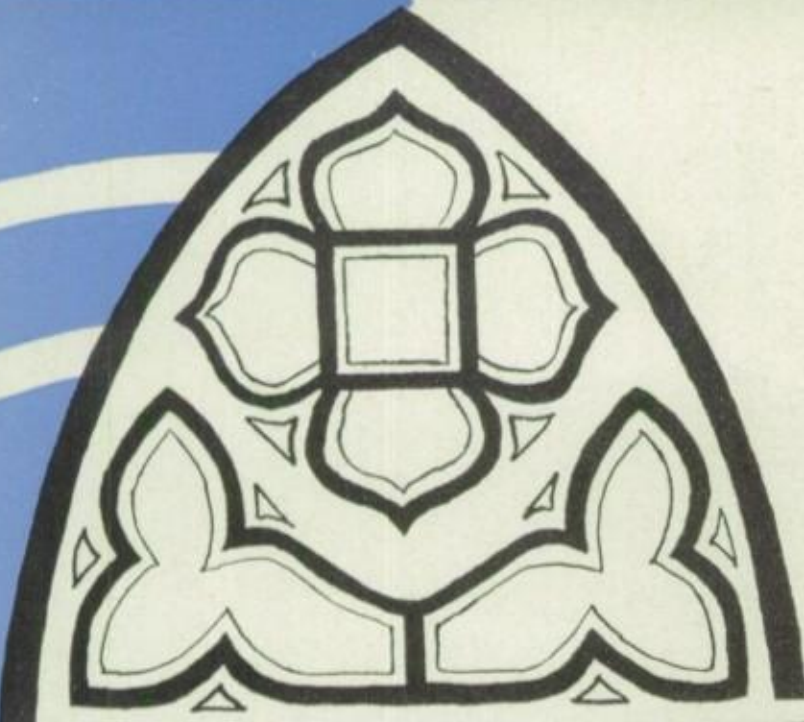

The value of this department in molding strong and reliable men and women is fully realized at St. Mary High School, and a complete course is presented, thus preparing students for the various activities in the business world.

The Twentieth Century Bookkeeping Course includes a Practice Set of Vouchers and a practical presentation of business fundamentals. It trains by instruction and practice.

Typing, Shorthand, and Secretarial Training are included in the Stenographic Course. Two full years of typing, and two full years of Gregg Shorthand are taught. The Secretarial Training includes business behavior, methods of filing, operation of the various machines, such as comptometer, mimeograph, dictaphone, etc.

The entire commercial department is handled by Sister Mary Eugenia.

Latin

Adhering to a Christian culture St. Mary offers a full four-year course in Latin. The first year covers fundamentals of the language. In the second year, Caesar's Gallic Wars hold the interest of the students. The third year develops the study of Latin prose, Cicero. And the fourth year is devoted to the pleasing study of Virgil's Aeneid. Sister Mary Merici and Sister Mary Madeleine are instructors of Latin.

German

German is also offered both for its cultural and vocational value. It introduces the student to the daily life and spirit of the foreign nation. In the two-year course much attention is given to the study of the content found in the German masters, the use of vocabulary and oral expression so as to handle in an able manner the use of language correctly. This study is directed by Sister Mary Agathangela.

THE NATIVITY

The Christmas Program

On Sunday, December 17th, a very impressive Christmas program was presented by the students of the grade and high school at St. Mary's. A very beautiful tableau opened the program, representing the angels heralding and rejoicing over the birth of the God-man King. A simple but unique play entitled "Why the Chimes Rang" was given. In addition to this the grade school girls presented several symbolic dances. Another feature adding to the beauty of the program were the songs rendered by a well chosen choir of boys and girls vested in blue gowns ornamented with white stoles.

This Christmas program put the entire audience into the sweet and holy Christmas spirit that prevailed everywhere.

"Behold, a Savior is born unto us."

"Come let us adore!"

MR. GALEN W. UNSER

GALEN W. UNSER

July 13, 1931 marked an eventful day at St. Mary's. It was on this day that Mr. Unser arrived in Menasha, and took up his work as director of the band in St. Mary High School. All these years it has been his one endeavor to work up a superior band. His efforts in this field have been untiring and have met with marked success. The present band numbers eighty-five aspiring young enthusiasts. Those of us who have worked with Mr. Unser realize that his leadership in this organization has been inspirational to all band members.

We are proud to have a director such as Mr. Unser and we appreciate his work in our midst.

PRESS CHATTER

The St. Mary Zephyrs returned from the Loyola Basketball Tournament, definitely defeated, but still a trophy winner—the Judge John Sbarbaro Trophy, for the team averaging the highest number of free throws per game.

Although being defeated in both of their encounters, the Zephyrs made an outstanding showing and displayed good ball handling to the Chicago fans. Evidence of the Zephyrs' clever demonstration was brought forth in several newspaper accounts of their first game with Leo High of Chicago:

"St. Mary's stunned the south siders by scoring four field goals in the first minute and before the Chicagoans could collect themselves, the Wisconsin squad held and 8 to 1 advantage. St. Mary continued its accurate shooting and when the first period ended, Menasha led, 13-3."

Prep Personals:

"St. Mary's of Menasha rolled up the first dozen points against Leo in such a hurry that most of the folks missed 'em.

. . . It was the fastest few minutes of the day, with Bill Resch, a husky guard, grabbing loose balls and flipping in

goals with consummate ease. It looked like a job for the fire department."

After watching the speed and fury of the contest between Leo High and St. Mary, Joe Plunkett, an oldtimer, stated that the game today was much too fast and should be slowed down.

Even the Leo Coach appeared worried and Prep Patter reports:

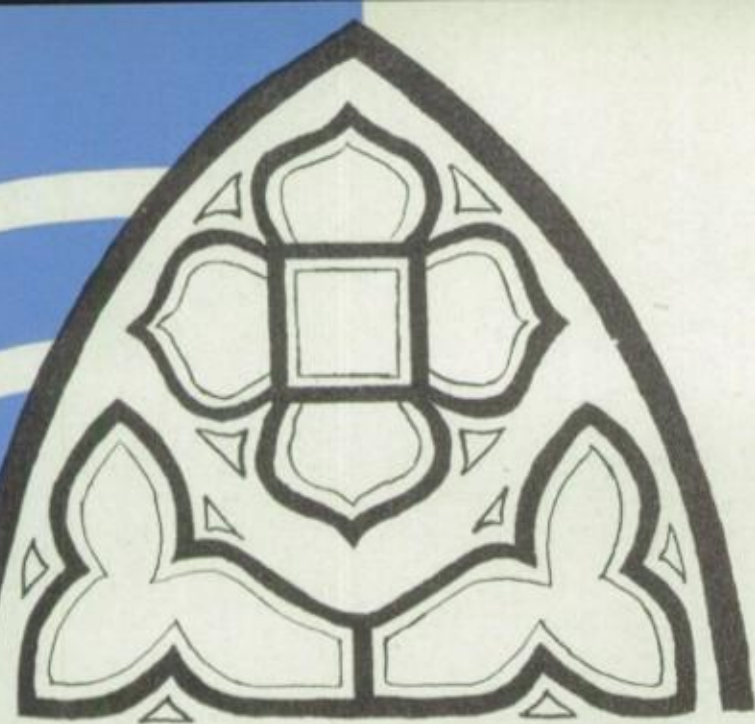

"For a while yesterday at Loyola it looked as if Coach Vin Dowd's pre-game appraisal of his Leo cagers was a bit amiss when he claimed 'his boys look like they're ready.'

"St. Mary of Menasha, Wisconsin, built up a 13 to 3 quarter lead, and it wasn't until the fourth period that the city champions who finished second in the Loyola nationals last year, took a substantial advantage in the 1940 classic . . ."

But the most amusing item, one which the boys will never live down, is the following:

"St. Mary, Leo's victim, appeared in baby blue uniforms, but showed more when it came to fight and power on the hardcourt."

UNDER OUR PATRON MAY WE FLOURISH

We the Central Committee wish to thank Reverend Father Becker for his guidance throughout the year.

This page represents the Central Committee of the Sodality of the Blessed Virgin Mary. Its members have weekly meetings to discuss various problems and to work out certain activities. The Chairmen of the respective committees meet with their special groups every two weeks; but the general meeting for the school takes place twice every month.

Our acolytes are Christ's pages! They are the chosen ones who faithfully serve at the altar throne of God. Cheerfully they perform this duty and represent the faithful.

Our altar boys are ever ready and willing to sacrifice their time and give up pleasure for the purpose of serving their God and King. They are present, no matter what kind of weather—rain or shine—they realize that duty calls.

Their self-sacrifice and regular attendance at all religious devotions is an inspiration to all.

May God reward them for their faithfulness to duty. May He be their eternal recompense.

The statue of Mary, Patroness of our school, was placed at the head of the stairs on the third floor. It is a truly beautiful one—a gift of the Right Reverend Monsignor John Hummel.

Reverently the students of St. Mary High were gathered about the statue of Mary and solemnly consecrated themselves to her service.

Mary was here—in our school, and as the veil dropped slowly from our Lady's shoulders, the inspiring words of Father Gabriel reached the ears of Mary's devotees, and all realized the solemnity of the occasion and again with grateful hearts pledged to remain true to Jesus and Mary.

"On this day, O beautiful Mother,
On this day we give Thee our love.
Near Thee, Madonna, fondly we hover,
Trusting Thy gentle care to prove."

The 1940 basketball team spells championship and success for St. Mary, for they are not only champions of the Fox River Valley Catholic Conference, but also regional champions at the St. Norbert, DePere, Tournament.

Keen play, splendid cooperation, outstanding sportsmanship, and good coaching—all combine to make a championship team.

The tourney at DePere showed excellent play on the part of all teams, but none could surpass the brilliant style of the Zephyrs. The triumph of the Bishop Rhode trophy was hard-earned and well-deserved.

A word of congratulation is due both to the team and Coach Zuercher, who have added much to the prestige of St. Mary, and, above all, to Reverend Father Becker, our principal, for his capable administration of our athletic program.

COACH ROBERT A. ZUERCHER

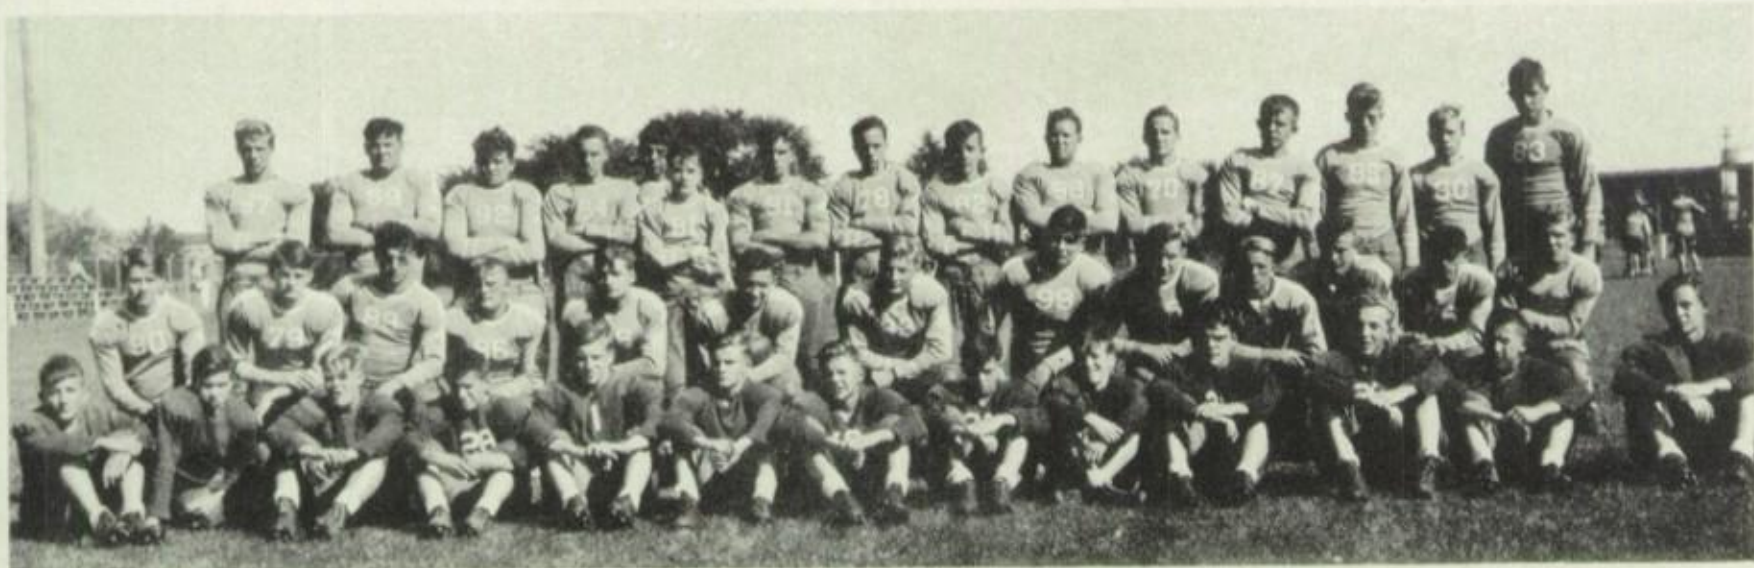

In his first year at St. Mary, Coach "Bob" Zuercher turned out one of the finest athletic teams the school has seen in many years. This year's football and basketball squads were composed of players, several of whom had seen action together from eighth grade through two or three years of high school. By constant drill Mr. Zuercher had this group of young men realize the fact that by team work, by coordination, success can be achieved. True, the football squad was handicapped by injuries on numerous occasions; nevertheless, by clever handling of the situation and by encouragement on the part of Coach Zuercher the team put up a stubborn battle against heavy odds. St. Mary can boast of a grand season in football even though the record shows four defeats.

In basketball, too, Coach Zuercher has brought his team to the fore. Throughout the season, the "Zephyrs" kept the "Blue and White" banner flying.

We are proud to have a man like Coach "Bob" Zuercher at the helm of our athletics. He is a leader. By his splendid personality, he has won many friends.

We, the Seniors of 1940, who have played our last game for dear St. Mary under the leadership of so able a coach, express our sincere appreciation to him who has taught us to play the game hard and to play it clean.

FOOTBALL SEASON'S REVIEW

ST. MARY 6

KAUKAUNA 26

The first game of the season under a new coach resulted in a disastrous defeat for St. Mary, mainly because the players were not yet accustomed to the new system. In the first quarter it seemed as if St. Mary would be victorious, but because of the lack of reserves and the fact that the "Kaws" capitalized on the breaks, the "Zephyrs" went down to defeat.

ST. MARY 27

ST. JOSEPH'S, KESHENA 7

The "Zephyrs" opened their conference season with a decisive victory over the "Indians" of Keshena. It was the first game for the "Indians" and they were not able to stop their more experienced opponents. The St. Mary reserves played the greater part of the game and made a very impressive spectacle—in fact, it was a complete reversal of the form exhibited in the Kaukauna game.

ST. MARY 12

NEW LONDON 13

The "Zephyrs" traveled to New London to engage in their first night game of the season. The lights, however, proved to be no handicap to the boys in blue and white for they clearly and decisively outplayed their opponents. The "Bulldogs" took the lead with a touchdown just before the gun went off to end the first half. However, the "Zephyrs" came back strong to score two touchdowns, but the extra point was the margin of defeat.

ST. MARY 6

EDGEWOOD 7

The "Zephyrs" again took to the road to engage the powerful Edgewood eleven in a game at Madison. Although the Madison eleven had a great advantage in weight, the St. Mary lads left the people of Madison with something to remember them by, for they showed their aggressiveness and

sportsmanship throughout the entire game. Again St. Mary had to leave the field trailing by one point.

ST. MARY 19

NEENAH 0

The St. Mary team decided to take it out on the sister city and gave the Neenah team a good shelling. The "Zephyrs" marched up and down the field at will and the game again gave Coach Zuercher a chance to view his reserves. The "Rockets" were completely demoralized by the incessant charge of the vengeful "Zephyrs" who were out to avenge last year's 14 to 13 defeat.

ST. MARY 6

ST. NORBERT 0

In a game with the "Green Knights" of De Pere, St. Mary's showed a decided letdown over the previous week's performance, which is evident in the close score. The "Zephyrs" made a long march which resulted in the only score of the day. The rest of the game proved to be a defensive battle for the "Zephyrs" for it seemed as if they were content to hold their six-point lead.

ST. MARY 38

ST. JOHN 0

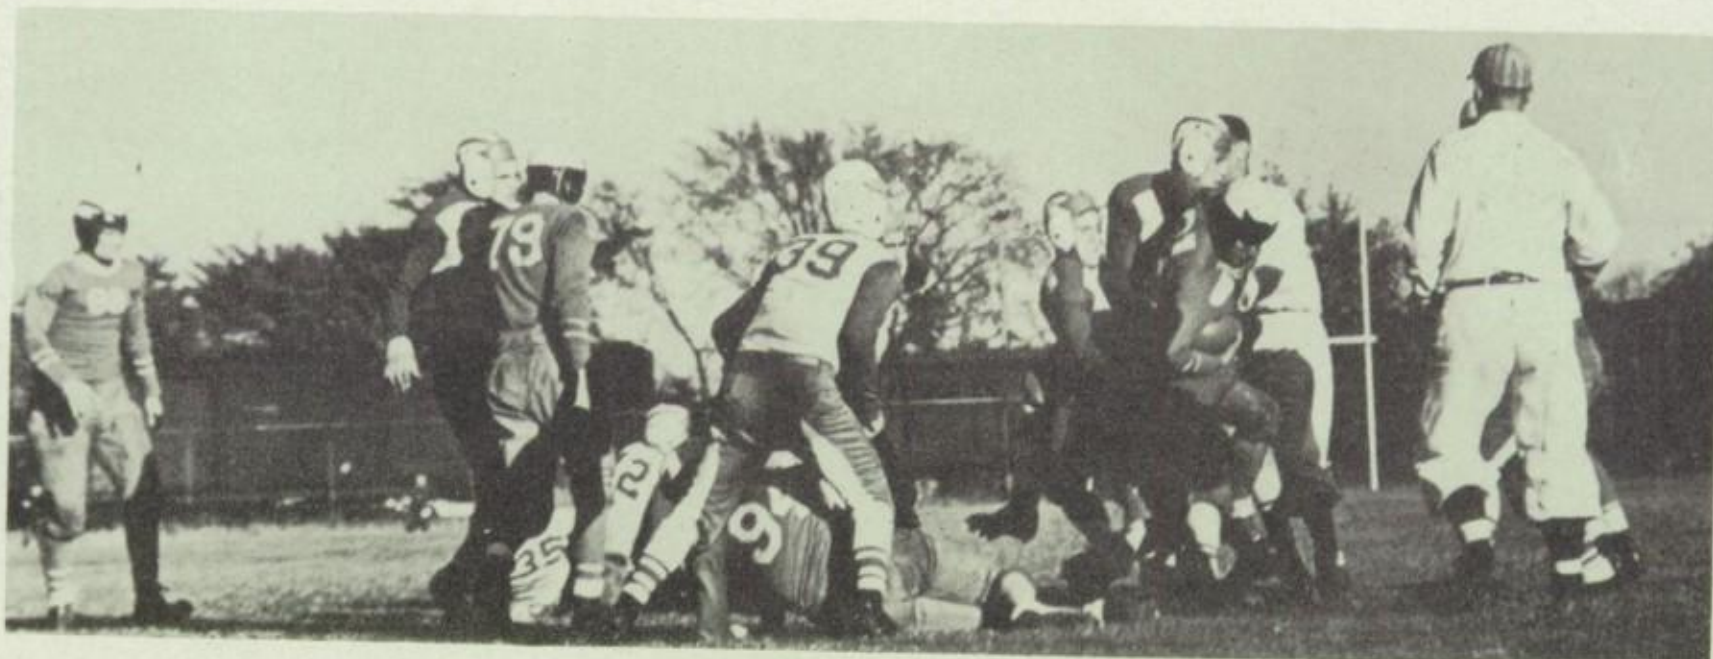

The "Zephyrs" clinched the conference title for the third consecutive time by overwhelming Little Chute 38-0. The players showed good blocking and tackling and exceptional running and passing in this game. The "Dutchmen" never threatened to score even though the St. Mary reserves played a good part of the game. The margin of victory was the greatest ever "run up" in the history of the school.

ST. MARY 12

DELAFIELD 27

The "Zephyrs" went out of their class to engage the powerful St. John eleven in their first home night game. Although the opposition was the strongest to appear in Menasha for many years, the "Zephyrs" gave a remarkable exhibition of football. The St. Mary lads dominated play in the first half, leading 12-6, but succumbed to the never ending stream of Cadet reserves in the second half. St. Mary's received wide recognition because of this game and ended the season as the champions of the Fox River Valley.

Dear old St. Mary, we're true to you;
Our Alma Mater, to you is due
Our loyalty and love;
We ask choice blessings from above.
Sing out a praise for St. Mary High;
Thunder a loud cheer up to the sky.
From your path we'll never waver,
For you we'll carry on.

SYLVESTER BURGHART (Guard)

"Syl" is a Junior and has one more year to play basketball for St. Mary's. He is a big fellow and plays the rugged type of ball. Not much consideration as a high scorer is given him—nor does he appear in the limelight, but he acts as the safety man and has saved many a basket for the fighting team. Here is hoping that Sylvester will keep the good work going in his Senior year.

CLARENCE CISKE (Forward)

"Lovey" is a Junior and has one more year of competition. Although he has not seen much action this year, he shows good form and promises to be invaluable to the team next year. He has a keen sense of humor that helps to liven the practice hours. Watch him next year!

JOSEPH FIEWEGER (Guard)

Joe is a Senior and has seen considerable action in the games played throughout the season. As a faithful member of the team he supported its honor at all times. He was an excellent guard and put much fire and pep into the team. Hi, Joe!

NORMAN GRIESBACH (Forward)

Next in line to the captain is our "forward," "Nubbs" Griesbach. He does not reach the same level as our captain, nevertheless, he is our flashy forward and has seen action for three years. He plays a fine defensive game and is known as a "sloppy-shot" on defense. Nubbs, an amiable character, to all appearances, took playing on the court floor very calm and seemed level-headed at all times. We will remember him as an outstanding player at St. Mary's. He means just another headache to Coach Zuercher when someone else must be chosen to replace Norman.

Team

Alfred Taves

Joe Fieweger

Gilbert Huelsbeck

GILBERT HUELSBECK (Forward)

Although "Gil" lacks the general experience of the other "A" squad members, he has shown that he is willing and able to learn. Whenever called upon to play, he played his position well and fought with a spirit that helped his teammates. Sic 'em, "Gil." You're as good as a trump.

FARNHAM JOHNSON (Center)

"Gunner" is another iron man on the team. His athletic proficiency is outstanding, for Johnson played the pivot position well, being invaluable on rebounds and close-in shots. He amassed an average score of ten points per game. Some boy! He had an excellent eye for the hoop and has put the team ahead in many a game, and kept them in the lead. Good sportmanship plus wonderful personality spell "Gunner" Johnson.

BERNARD KLUBA (Forward)

"Ben" has been promoted to the St. Mary "A" team. To a certain extent, he lacks the necessary fight to make him a regular. However, as a newcomer, has a dead eye and appears regularly at practice. Next year he should see more action. May your playing next year bring great glory to St. Mary's.

Ben Kluba

WILLIAM RESCH (Guard)

Our veteran of four years "Bill" has completed his final season. He was a regular on the varsity squad for four years and gave many an exhibition of good playing on the court. In the St. Mary Oshkosh game he came through as the "high scorer" adding thirty-six points to the honors of the game. Perhaps Bill was not flashy, but he played hard and consistently.

Captain "Bill" Resch was the pivot of the St. Mary Quintette, guiding and working steadfastly for the team. He always played his best, especially as guard, and was an inspiration to the other players. It will be extremely difficult to find a cager to fill his shoes. Here's to you, Captain Resch.

JEROME SCHULLER (Forward)

For some years back, "Rony" interested himself in playing basketball, thus getting the principles and skill of the basketball court. In his Senior year, he became a regular on the "A" squad. On offense, he was the main man to give the ball to his teammates so that they could swish the ball through the basket. Not extremely tall nor robust of body, he is somewhat handicapped when playing against giant teams. His main asset is his defensive ability, for he can make it "hot" for the "big" fellows. St. Mary's will be missing a great player and a fine fellow when Jerome leaves.

ALFRED TAVES (Guard)

"Al" is our sophomore who gave service to the team. He should see plenty of action as a first stringer by the time he is a Senior. Al is a live wire on the team and by his quips and pranks, he keeps the other members in a state of hilarity. As a great actor he is ever ready to show his ball handling ability. Coach's ire seems to have little effect on the above highly spirited "Al" Taves.

BASKETBALL SEASON REVIEW

ST. MARY 32

ST. MARY (OSHKOSH) 7

The first game of the season took place at St. Mary, Oshkosh and struck the keynote of a successful season. Good passing was especially evident as the "Zephyrs" ran up a decisive victory. The "Reserves" played the greater part of the second half of the game and really gave a good account of themselves. The "Greyhounds" did not get into the tight St. Mary defense all evening and had to be content with seven points as their final score.

ST. MARY 22

MANITOWOC 21

The St. Mary quintet collected the second victory of the season. The lads from Manitowoc were the prey. And what a battle it was! A battle in which the "Zephyrs" eked out a victory in the final seconds of play. The playing was rugged throughout the game, with the victors showing the decided edge. It was a great night for St. Mary, for it is always a big occasion when the "Zephyrs" are able to defeat such a big team.

ST. MARY 39

ST. JOSEPH'S (KESHENA) 13

St. Joseph's first appearance on a basketball court in Menasha proved disastrous to them, for they went down to defeat by a lopsided score. Although the "Zephyrs" shooting was off form, the "Indians" never were in the ball game. The reserves again played a good share of the game, giving a creditable account of themselves.

ST. MARY 32

ST. PETER (OSHKOSH) 17

The St. Mary five traveled to Oshkosh where they encountered the aggressive St. Peter quint. The game proved to be a rough battle with numerous fouls on both sides, but the "Zephyrs" fighting spirit saw them through and they again

brought home a victory. The Zuerchermen have not been defeated thus far in the season, and with the team hitting their stride they should have a successful season. The team employs a fast break and this was clearly evident in this night's game, when they swept the Oshkosh boys off their feet.

ST. MARY 33

ST. JOHN (LITTLE CHUTE) 20

The "Zephyrs" won their fifth consecutive game of the season at the expense of the "Flying Dutchmen" of Little Chute. The "Dutchmen" could not get in the tight St. Mary defense and had to rely on shots far out on the court. On the other hand the "Zephyrs," with their smooth ball handling, worked the ball in for numerous "set-ups." The "Zephyrs" fast break again worked to advantage, keeping them well ahead throughout the game.

ST. MARY 36

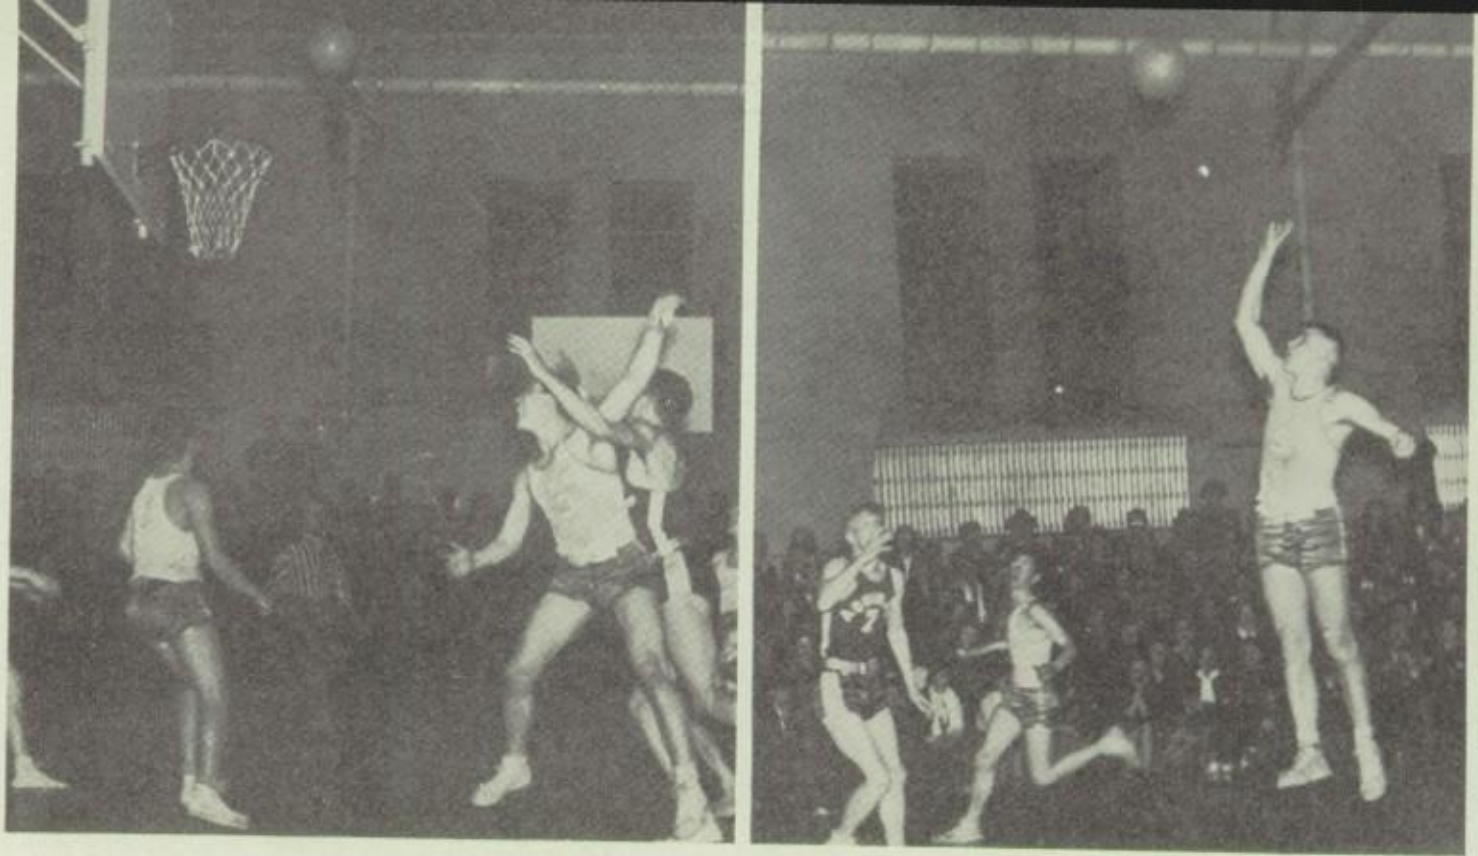

ST. LAWRENCE 33

The boys from Mount Calvary threw a scare into the "Zephyrs" when they proved to be a fighting group of players. Coach "Bob" Zuercher, however, did not start his first five, and as a matter of fact they played very little of the game. When the first five were sent to the showers in the middle of the last quarter they had a comfortable lead, but this quickly dwindled, for the St. Lawrence boys put on a spurt and if there would have been more time they would probably have tied the game. The "Zephyrs" were treated very cordially and they were given a lunch and shown around the dormitory where the candidates for the priesthood lived.

ST. MARY 30

KAUKAUNA 14

The St. Mary team traveled to Kaukauna where they humiliated the "Kaws" with a crushing defeat. The game proved to be the best contest the "Zephyrs" have played this season.

Action!

for to pile up such a tremendous score the Menashans had to play wonderful ball. This is the sixth straight win for the boys representing our school, and we are rightfully proud of them. If the team can keep up the pace they are setting, they will undoubtedly have the best record the school has seen. By knocking off such big schools as Kaukauna and Manitowoc, St. Mary is now being classed as one of the best teams in the Northeastern part of the State.

ST. MARY 36

MANITOWOC 28

On December 29 the "Zephyrs" again took to the road to engage the strong Manitowoc team in a non-conference tilt. Although the "Shipbuilders" held an advantage in height, the "Zephyrs" made up for this in fight and speed and led all the way through the game. Manitowoc got "hot" with long shots at the start of the fourth quarter to threaten the lead but a final spurt in the last few minutes by the locals put the game on ice. This was the first time a St. Mary team ever won a game on the Manitowoc court.

ST. MARY 40

ST. BENEDICT 24

St. Benedicts, a colored team, traveled from Milwaukee to engage the St. Mary team in a game of basketball. They endeavored to break the winning streak of the "Zephyrs," but they were also mowed down by the dreaded "Zephyrs." The game started with a bang for the home team and piled up such a score at half time that the colored boys were unable to catch up. However, the second half turned out to be a free for all with personal fouls being called continuously on both sides and the "Benedictines" threw a score into the home dub. The team ended the game amid flying colors and in doing so chalked up their eighth consecutive victory.

ST. MARY 29

ST. PETER (OSHKOSH) 15

The "Zephyrs" won their fifth consecutive conference game of the season in a home game January 12 to the tune of 29-15. As the game progressed it appeared that the "Keys" came to Menasha with the sole purpose of holding the "Zephyrs" scoring down with no intention of winning the game, for they "froze" the ball in the backcourt on every opportunity. Although this "stalling" hampered the "Zephyrs" style of play, they were able to "steal" the ball from the enemy on enough occasions to maintain a comfortable lead throughout the evening's game.

ST. MARY 43

ST. NORBERT'S 13

The "Zephyrs" turned back the De Pere boys in an overwhelming victory. The St. Norbert team came down with the intention of winning no matter how, and the game proved to be a football contest in basketball suits. The first quarter was very tight, with numerous fouls being called on both sides, but when the home team found their "eye" there was no stopping them. This was the largest score St. Mary's has

piled up during this season. The boys were really hot, for they made baskets from every angle of the court. The "Zephyrs" have a return game to play with the St. Norbert's group. A hot reception was promised to the fighting "Zephyrs" by the St. Norbert quintet.

ST. MARY 16

NEW LONDON 26

On January 23, the "Zephyrs" journeyed to New London where they suffered the first defeat of the season by a score of 26-16. The "Zephyrs," way off form, passed up countless scoring opportunities in the first half which ended in a 9-9 deadlock. At the opening of the second half the "Bulldogs" got "hot" and scored nine points within a few minutes. The Menasha team made every effort to overcome this lead. But the final rally ended by the report of the gun.—The game was over—and the scoreboard tallied the defeat for the St. Mary "Zephyrs."

ST. MARY 39

KESHENA 15

The St. Mary "Zephyrs" traveled to the Keshena reservation where they engaged the Indians in a conference game. The Indians put up a terrific battle the first half and the score ended 12 to 6 in St. Mary favor. However, as the second half began the "Zephyrs" began to "roll" and they piled up points so fast that it left the Indians bewildered. It proved to be the seventh straight conference victory with no defeat, and practically cinching the crown.

ST. MARY 63

ST. MARY (OSHKOSH) 12

Led by Bill Resch, star guard through four years of service, the "Zephyrs" broke all scoring records in a home game with St. Mary, Oshkosh, February 2. Resch himself scored three times as many points as the entire Oshkosh team together—a total of 36. The smooth passing attack and sharp shooting of St. Mary boys buried the "Greyhounds" under an avalanche of baskets. Even though the reserves played a good share of the game the "Zephyrs" kept up their terrific pace throughout the entire game. The "Greyhounds" did not make a field goal till late in the third quarter and spent practically the whole game on defense as the "Zephyrs" monopolized the ball.

ST. MARY 18

KAUKAUNA 30

The St. Mary basketball team met their second defeat of the season at the hands of the strong Kaukauna quintet. Height proved to be the deciding factor in the game, for the Kaukauna team controlled practically all the rebounds. The tall boys proved to be dead-eye dicks, for every time they would flick the ball at the basket it would swish through. At the same time the "Zephyrs" showed a reversal in form, for their passing was ragged and their shooting was way off. To date, the "Zephyrs" have won eight conference games and five non-conference games, while dropping two non-conference games.

Basketball

Manager E. Mottl

ST. MARY 30

The "Zephyrs" suffered their second successive defeat in an overtime game with St. Norberts at De Pere, February 13. The "Squires" were "on" and when half time came, they were leading 17-16. During the third quarter the "Squires" increased their lead to 29-22. At this point the "Zephyrs" put on a brilliant rally to tie the game 30 to 30 as the "horn" sounded, sending the game into "overtime." However, the "Zephyrs" had "run out of gas" and St. Norbert scored three "buckets" to win the game 36 to 30.

ST. NORBERT 36

ST. MARY 27

The St. Mary "Zephyrs" won their fifteenth victory of the season by defeating the powerful Neenah "Rockets" in a nip and tuck battle. The "Zephyrs" played wonderful ball, and although they were a little off on their shots, their passing made up for this defect. The home team took the lead at the opening of the game and held it throughout the game. This was the greatest deed the "Zephyrs" have accomplished this season, for Neenah is not only the rival from across the river, but she is also a leader in the Northwestern Conference. The "Zephyrs" must meet Neenah again on their court and a tight game is expected, for the Neenah lads are hot on their court.

NEENAH 21

ST. MARY 33

The St. Mary "Zephyrs" played their last conference game of the 39-40 season when they trounced the "Flying Dutchmen" from Little Chute. With this victory they clinched the title in the Fox River Valley Catholic Conference with nine victories and one defeat. The "Zephyrs" played fast, ragged ball throughout the game and they controlled the ball at will. The locals sent in reserves at numerous times during the game, and they showed that they were varsity material. With the clinching of the conference title the "Zephyrs" are eyeing the St. Norbert Tournament with an enthusiastic eye, for victory or defeat there, will spell hope or doom of ever reaching the National Tournament at Chicago.

ST. JOHN (LITTLE CHUTE) 20

ST. MARY 26

In the season's closing game for both squads the "Zephyr" basketball team dropped a heartbreaker to the Neenah "Rockets" by a slim margin of two points. The "Rockets" pulled the game out of the fire in the closing seconds with an unorthodox shot. The score read 19 to 12 in favor of Neenah when the horn ended the first half, however the "Zephyrs" staged a comeback in the third quarter and gained a one point lead. With only minutes to go the score was tied 26 all, but then came the winning basket to give Neenah victory.

NEENAH 28

THE TOURNAMENT

St. Mary entered the tenth annual St. Norbert Invitational Basketball Tournament on March 3rd determined to add the first place trophy to the collection. The teams of the tourney proved to be the strongest in the history of the tournament and every team boasted of at least one star player.

The "Zephyrs" did not have to extend themselves very much to win the first two games but the final game was so well played that the "Zephyrs" received recognition all over the state and also an invitation to the National Catholic Tournament in Chicago.

Thus endeth the basketball story of St. Mary.

GOLDEN GLOVE CONTENDERS

Boxing is another sport in which a number of our athletes are interested. It develops muscle, that is, the brawn; but brain is also necessary.

Remember that at the time when the boxer steps into the ring and the gong sounds, all the "pull" he has in the world cannot help him. He has only one protection against defeat—that is a clear brain, a strong heart, a good set of muscles and confidence.

Rugged practice, determination and power will bring the boxer a victory.

Boys and girls—you are in the arena of the fight. You are going out into the world to struggle against social and economic difficulties. Four things will be necessary to meet with life's battle—a clear brain, a strong heart, powerful resistance and trust. "Pull" may get you a job but—ability alone can hold the job after you get it.
